THE CAPE OF GOOD HOPE.

Government Gazette.

Published by Authority.

TUESDAY, SEPTEMBER 20, 1870.

GOVERNMENT NOTICE.—No. 379, 1870

Colonial Office, Cape of Good Hope,
19th September, 1870

HIS Excellency the Lieut.-Governor administering the Government and Her Majesty's High Commissioner directs the following communications addressed by him to the Presidents of the Orange Free State and the South African Republic to be published for general information, and desires to call the particular attention of all subjects of Her Majesty thereto, and in particular those of them who are now at or may hereafter proceed to the country known as the "Diamond-fields."

His Excellency does not propose or intend to interfere in any way to prevent Her Majesty's said subjects from prosecuting legitimately their search for Diamonds or other Minerals in the territories referred to, but on the contrary he is prepared to aid and support them, as far as practicable, in all lawful proceedings, and this notice is made public with the view of affording them the fullest information respecting territorial claims and rights, and in order to prevent them from committing themselves to acts of territorial aggression, which their Sovereign may hereafter be advised to disallow.

The Government of the Chief Waterboer has for many years endeavoured to induce the Government of the Orange Free State to allow their territorial differences to be settled by arbitration, and offered to leave the whole question to be decided by Her Majesty's High Commissioner, and the late High Commissioner, Sir P. E. Wodehouse, expressed to both Governments his willingness to undertake the duty if they would first agree upon the points to be decided by him.

This they appear not to have done, because while Waterboer's Government desired that the whole question in dispute should be so submitted and settled, the Government of the Free State declined to submit to such arbitration any question involving rights to land south of the Vaal River. It is not stated in the documents before His Excellency why it was that the Free State was willing to submit to arbitration the question of right on one side of the river and not on the other. And inasmuch as His Excellency finds by a communication addressed to his predecessor by the Acting President of the Free State on the 12th November, 1863 (hereunder following), that the claim of that State to a large portion, if not the whole, of the land now in dispute on both sides of the river, is therein stated to have been derived from the same source, viz., an alleged purchase from Adam Kok's agent of the so-called lands of Cornelius Kok, the position taken with respect thereto by the Free State Government is incomprehensible.

His Excellency directs a copy of this communication and its enclosures to be published with this notice.

His Excellency directs it further to be notified that in the early part of this year the President of the Free State and the Chief Waterboer did agree to submit the question of their respective rights to land north of the Vaal River to the arbitration of the High Commissioner, but in consequence of Sir P. E. Wodehouse's then early intended departure from the Colony he was compelled to decline to undertake the task. Since then a personal conference has taken place between the President and Waterboer, which closed without any satisfactory solution of their differences being arrived at, but the President of the Orange Free State has published the Proclamation referred to in His Excellency's dispatches; and Waterboer has again appealed to His Excellency for his interference, and notified his intention of petitioning Her Majesty the Queen for protection.

His Excellency also directs to be published with this notice copy of a Map furnished to him by Waterboer, on which are marked off the lines of the several boundaries claimed by his Government. A comparison of this Map and the sketch supplied by the Acting President of the Free State, with his letter of the 12th November, 1863, above mentioned, will enable all persons to inform themselves as to what lands are in dispute between the two Governments, and show that the claim of the Free State to lands held by Waterboer to be his rests upon the legality and validity, or otherwise, of the alleged purchase from Adam Kok of territory once said to have been occupied by the late Cornelius Kok, then deceased.

By command of His Excellency the Lieutenant-Governor administering the Government,

R. SOUTHEY,
Colonial Secretary.

NOTE.—The two Maps above mentioned will appear with the next and future publications of this Notice.

His Honour the President of the
Orange Free State.

SIR,—I observe by the *Friend of the Free State* newspaper of the 8th instant, that you have by Proclamation dated at Klip Drift, on the Vaal River, the 29th August last, proclaimed certain lands north of the Vaal River, and commonly called the Campbell lands, to be Free State property, by virtue of a deed of sale dated 26th December, 1861, executed by Mr. Henry Harvey, purporting to be the authorized Agent of Captain Adam Kok. And as I am in communication with the Griqua Chief Waterboer on the subject of lands claimed by him and over which he and his people appear to be desirous that Her Majesty the Queen should exercise sovereignty, I shall be glad if you will furnish me with any proofs your Government may possess respecting the said purchase from Mr. H. Harvey, and of his authority to sell in the name of Adam Kok, as well as of Adam Kok's title to such lands.

2. By communications received by me from the Chief Waterboer, it appears that he not only claims the Campbell Lands on the right bank of the Vaal River to be Griqua Territory, but also lands on the left bank of the said river, extending to lines drawn from Ramah on the Orange River, to "David's Graf," near the confluence of the Riet and Modder Rivers, and thence to Plaatberg, on the Vaal River.

3. It will become my duty shortly to bring these matters under the consideration of Her Majesty's Government, and I shall be glad if your Honour will be pleased to favour me with information relative to the title, if any, possessed by the Orange Free State to the lands east of the Vaal River.

4. I am aware that the Orange Free State claims them, but I am not in possession of any proof of title.

5. I find that my predecessor in office, who was requested by your Government and by the Chief Waterboer to arbitrate between them respecting their territorial rights, suggested to you, on the 24th August, 1869, that you should communicate to him clearly and distinctly the several questions in which the disagreement subsisted, to be accompanied by a sketch of the country, showing the principal disputed points, which does not appear as yet to have been complied with.

6. Under all these circumstances, I take leave to suggest that it will be premature for the Government of the Orange Free State to proceed to the planting of beacons, as stated in the proclamation before mentioned to be its intention,—and awaiting your reply,

I have, &c.,
C. HAY, Lieut.-General, High Commissioner.

Government-house, Cape Town,
19th September, 1870.

His Honour the President of the Orange Free State.

SIR,—Since addressing to you my despatch of 15th instant, I have observed by the public newspapers that your Government has, after issuing the Proclamation to which in that communication I alluded, taken further action and appointed a Mr. O. J. Truter to be Commissioner for the Diamond fields, and a Justice of the Peace for the whole State, including, I presum , the territory claimed by the Chief Waterboer, and if so, assuming jurisdiction over a large number of British subjects at present residing within that territory.

I, therefore, deem it my duty to draw your Honour's attention to certain facts respecting the territory in question, as shown by documents in my possession; and to acquaint you that I shall at once issue a notice to all British subjects warning them against being parties to the assumption of territorial rights over lands belonging to Native Chiefs and people, by in any way aiding and abetting such assumption or by acknowledging those rights; and in order that all may understand the aspect which the present position of affairs seems to me to bear I shall publish this and my previous dispatch and other documents in elucidation thereof.

You are aware that long before Sir Harry Smith, with the consent of the Chiefs, and people concerned, proclaimed the Sovereignty of Her Majesty the Queen of England over certain territories North of the Orange River, Her Majesty was in alliance by treaty with the Chief Waterboer, of Griqua Town, and that the territories of the said Chief were not included in those over which Her Majesty's Sovereignty was proclaimed.

ANNEXURE No. 1. Before the period above alluded to, and in the year 1838, as appears by the annexed extract from a written agreement then entered into between Waterboer and Adam Kok, the Griqua people divided themselves into two separate and independent portions; one portion to remain under the supremacy of Andreas Waterboer, the predecessor of the present Captain Nicolaas Waterboer as Chief, and resident at Griqua Town, the other portion under that of Adam Kok, whose residence was at Philippolis. By that agreement it was stipulated that Waterboer's eastern boundary should be from Ramah northward to Platberg. And so much of this boundary as extends from Ramah on the Orange River to David's Graf, near the confluence of the Riet and Modder Rivers, has frequently since, in treaties and other public documents, been admitted by Kok, and Waterboer, and by the Governors of this Colony, to be that dividing the two portions of the Griqua territory. The continuation of the eastern boundary of Waterboer northwards from David's Graf to Platberg is not brought forward in the later of these particular documents with the same prominence by reason of the fact that in all of them Adam Kok's territory was treated as confined on the north by the line of the Modder River, and consequently with Waterboer's eastern boundary, north of David's Graf, Adam Kok had no concern.

So far, therefore, these documents appear to substantiate the claim which Waterboer maintains to lands northward and westward of lines drawn from Ramah to David's Graf and thence to Platberg.

But your Government alleges that in the year 1861, and consequently subsequent to the dates of the documents abovementioned, it has become possessed of certain portions of the territory held by Waterboer to be his, by virtue of the sale and cession made to it by one Henry Harvey, as the Agent of Adam Kok, who, it is said, sold, and the Government of the Free State purchased, not only the lands then still remaining as Adam Kok's, but also the lands of Cornelius Kok, a deceased relative of Adam Kok's, who in his lifetime resided at Campbell.

With regard to this alleged sale and purchase, Waterboer represents—

1st. That Cornelius Kok was a British subject, born within this Colony, and resident therein until of age; after which he came to Griqua Town, and was by Andreas Waterboer appointed a petty officer under his Government, and stationed at Campbell, where he continued to reside, and where he exercised the authority deputed to him by Waterboer until deprived of office for misconduct.

2nd. That during all this time, and thereafter until the death of Cornelius Kok, no fresh treaty or agreement had been made between Waterboer and Adam Kok respecting boundaries.

3rd. That Cornelius Kok had no territorial rights, nor had Adam Kok any authority to sell, nor, in fact, did he, by his power of attorney, authorize Harvey to sell, any portion of the Campbell lands, over which Cornelius Kok's petty jurisdiction had at one time extended; and that his said power of attorney to Harvey was limited strictly to lands vested in him in

Digitized by Google

capacity as Chief of the Griquas of the town and district of Philippolis, to which the Campbell lands never belonged, and contains no reference to any lands claimed by him as heir to Cornelius Kok,—which, in fact, Waterboer asserts he was not.

In support of the foregoing propositions, Waterboer refers to the agreement of 1838, and other documents, among which are the following, viz.:

ANNEXURE No. 2. (a.) A letter from Adam Kok and his Councillors to Governor Sir George Napier, dated 12th November, 1843, in which reference is made to the said Treaty with Waterboer as defining the boundary between the latter and the writer.

ANNEXURE No. 3. (b.) A circular letter addressed by the late Colonial Secretary of this Colony, Mr. Montagu, to A. Waterboer, Adam Kok, and Moshesh, dated 18th April, 1845, requesting answers to several queries respecting (among other things) the lines and conditions of their respective boundaries, in how far the same were defined by Treaties, and what tribes were their neighbours; with the answers thereto of Adam Kok and A. Waterboer, each of whom agrees in considering the other as his next neighbour, and admits that the line between them had been settled by Treaty.

ANNEXURE Nos. 4 & 5.

ANNEXURE No. 6. (c.) A paper addressed by Adam Kok to Waterboer, in 1848, representing that, as many of his people were leaving the Philippolis district, and proceeding to Campbell, they would in consequence be beyond his jurisdiction and within that of Waterboer.

ANNEXURE No. 7. (d.) The power of attorney granted by Adam Kok to Harvey under which the sale to the Free State was made.

ANNEXURE No. 8. (e.) A notice published by Adam Kok, dated 15th November, 1862, in which he denies having authorized the sale of any rights to land north of the Vaal River.

ANNEXURE No. 9. (f.) A letter addressed to Waterboer by the President of the Free State, dated 28th April, 1862, after the date of the alleged sale, in which the writer admits Waterboer's right of jurisdiction on the left bank of the Vaal River, and invites a meeting at Jacobsdal, a place near David's Graf, which latter spot Waterboer has always claimed as one of the defining points of his boundary.

These documents certainly appear to me to show a strong *prima facie* case in favour of Waterboer's right of sovereignty over the territory which your Proclamation claims as belonging to the Free State. And as, though requested by my predecessor to furnish him with a plan descriptive of the boundaries claimed by your Government, and proofs of such of them as you were in a position to prove, you have declined, or at least omitted, to furnish any such proof, I feel bound, provisionally, to form my opinion upon the evidence before me.

This being so, and the Chief Waterboer having always acted in a faithful and friendly manner towards Her Majesty's Government, I think I should not be acting fairly by him if I should allow, without remonstrance or opposition, what at present, and in the absence of proof to the contrary, I must consider as an unjustifiable encroachment upon his independent rights, And I therefore notify to you that I do not acknowledge the claim of sovereignty put forward in your Proclamation within the limits of the territory in dispute between you and Waterboer over any subjects of Her Majesty resident or being therein.

The concourse of people at the Diamond-fields, however, has received my close consideration, and with a view to prevent the commission of crime or outrage by any of Her Majesty's subjects therein, I have taken measures for the issuing of magistrates' commissions giving jurisdiction over such subjects under the provisions of an Act of the Imperial Parliament 26 and 27 Victoria, Cap. XXXV.

I have, &c.,
C. HAY, Lieut.-General,
High Commissioner.

Philippolis, 12th November, 1843.

To His Excellency Sir GEORGE NAPIER, Governor of the Cape of Good Hope.

SIR,—I have had the honour to receive your letter of the 6th of October, together with a copy of the treaty made between the Governor of the Colony and the Chief of the Griquas of Philippolis, and I beg to convey to you my sincere thanks and those of my people for this treaty, by which we are placed under the protection of a nation which has always been known for its equity and generosity, and we hope that nothing shall be wanting on our part towards the perfect maintenance of it.

We acknowledge that the moral and religious instruction which we receive from the missionaries are the only means whereby the prosperity and civilization of a nation can be improved, and we hope that the concern which your Government and the people of Great Britain have taken in us may not have been in vain.

I have, &c.,
In the name of the Philippolis Griquas,
CAPTAIN ADAM KOK,
HENDRIK HENDRIKZE,
S. PRETORIUS,
LUCAS HANS,
GERT KOK,
KLAAS HENDRIKZE.

P.S. I have the honour further to request that as the boundaries of the Ward Philippolis are not described in the Treaty, your Excellency will be pleased to cause the following notice to be published at the same time with the Treaty:

"NOTICE.

"Notice is hereby given to all whom it may concern, that the boundaries of the Ward of Philippolis are the following: On the north the Modder River, on the east the Lands of Moroko, and on the west Ramah; which is the boundary between the territory of Philippolis and Captain Waterboer.

"ADAM KOK."

These are the old boundaries of Philippolis, and are acknowleged in a Treaty with Waterboer, copy of which will be forwarded to your Excellency should it be required.

MOSHESH.

SIR,—I am directed by His Excellency the Governor to request you will be pleased to furnish me with your replies to the following queries, for the information of the Commission appointed to inquire into the state of affairs as now existing between the Immigrant Boers and the Native Tribes beyond the boundary:

1. What are the boundaries of the territory over which you preside? What tribes, not subject to, or dependent upon you, occupy the lands immediately adjoining? Have any formal agreements been made between you and the Chiefs of the tribes referred to in regard to the limits of their respective territories? Are there any tracts of land in your immediate boundary which you occupy in common with these Tribes, or any tracts that are wholly unoccupied or temporarily possessed by the remnants of broken tribes having no acknowledged Chief?

[ANNEXURE No. 4]

Answers to questions proposed to the Chief Adam Kok, in a letter from the Colonial Secretary, dated April 18, 1845:

1. The territory claimed by my people is bounded on the south and south-west by the Orange River, on the north and north-east by the Modder River, on the east by the country of Lepiri, and on the west by that of Waterboer.

The tribes in my neighbourhood are those of Waterboer, Moroko, Moshesh, and Lepin, all of whom are independent of me.

No written agreement respecting boundary lines has been entered into with any neighbouring chief, except Waterboer; but I have no dispute respecting territory with any of the abovementioned chiefs.

I know of no lands in my immediate neighbourhood unclaimed or unoccupied, and there is no tract of country which I occupy in common with any neighbouring chief, &c., &c., &c., to 6th.

[ANNEXURE No. 5.]

Griqua Town, 29th July, 1845.

To the Honourable the Secretary to the Cape.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th April, and would have given you a reply before this time, but was prevented owing to absence from home. Having, however, now returned home, I take the first opportunity to write to you and to answer your questions.

1. The boundaries of the territory over which I preside are the following: On the east, between the territories of the Chief of Philippolis and my own, is Ramah, distant about 90 miles from Griqua Town; on the north the line cuts between Daniel's Kuil and Koning, about 70 miles from Griqua Town on the west; Kheis is the boundary about 100 miles from Griqua Town, and on the south my boundary runs as the northern boundary of the Colony, as has been agreed upon in the treaty between the Government and myself in the year 1834. In regard to territorial boundaries, I have made treaties with two chiefs, viz, Adam Kok, of Philippolis, and Mahurah, one of the chiefs of the Batlapin, a tribe of the Bechuana nation. The nations residing against my boundaries are, on the east the Griquas of Philippolis; *on the north-east a tribe of Korannas; on the north* the Batlapins, Barolongs, and Battaros, tribes of Bechuanas; *on the west* various tribes of Hottentots and Namaquas; and *on the south* the Colony. There are no portions of land on my boundaries occupied in common by my people, nor are there any unoccupied portions; but on the west, in the Desert, there may be lands occupied by remnants of broken-up tribes of Bushmen.

2. My subjects are of different tribes, the principal are Griquas, Korannas, Bushmen, and refugees of the Bechuanas, chiefly of the Batlaroo and Basuto tribes. There are chiefs over the various tribes who have the charge of surveillance over them from me, the names are—of the Korrannas, Witboy and Klaas; of the Bushmen, Tebe; of the Batlaroos, Samechoe; and of the Basutos, Katlane. All those tribes are subject to me, but when permission is granted to any of these to return to their own lands, then they are absolved from their allegiance to me. The number of people in my ward will be 4,000, of whom—

Batlaroos	800
Basutos	500
Other Bechuanas	150
	1,450

The remaining 2,500 are of the Hottentot tribes, but the number of each separate tribe cannot be precisely named.

3. My people are partly pastoral people, being compelled thereto by the circumstances of the land, for there are very few fountains in the ward which can be used to promote agriculture, but all such lands in my ward as can be irrigated are sown upon. The grain mostly sown are wheat, barley, mealies, and Kaffir corn. The quantity of wheat reaped in prosperous years is about 700 muids, besides other grain. My people plant also potatoes, beans, peas, and other kinds of vegetables. In former years there were many fruit trees in the ward, but in consequence of a severe drought, which lasted for seven years, the largest portion perished; and since our fountains have become revived (in the year 1840), my people have busied themselves in the planting of fresh trees, and there are now on this place figs, peach, quince, and pomegranate trees, and there are vines in the place. During the last two years some thousand of fruit trees have been planted in Griqua Town alone.

The lands which are built upon are by our laws acknowledged as the property of the occupiers, still they cannot sell to strange persons without consent from myself and Raad, neither can I, as chief, alienate any land to other persons without consent of my people made known through a general meeting.

My people are partly spread about in single families, but where the fountains are large enough, there they congregate in small townships, of which the principal are:

	Inhabitants.
Griqua Town, my residence	700
Daniel's Kuil, distant 51 miles from Griqua Town	150
Garsipe, distant 30 miles from Griqua Town	300
Blinklip, distant 40 miles from Griqua Town	450
Diepe River, distant 35 miles from Griqua Town	300
Keis, distant 100 miles from Griqua Town	500
Sandcrift, distant 30 miles from Griqua Town	300
Gangenaup, distant 40 miles from Griqua Town	300
Witzenberg, distant 30 miles from Griqua Town	100

But in dry seasons some of those who live in these towns are compelled to remove for pasturage for their flocks.

As regards the fifth and sixth *queries, I have to say* that there are no emigrant farmers in *my territory*, that I have made no agreement with them, and no intercourse has taken place between them and my subjects.

I have, &c.,
A. WATERBOER, Captain.

Whereas many of the inhabitants of the District of Philippolis have, for various reasons and on different occasions, withdrawn themselves, and have located themselves at various portions of the districts of Campbell and Griqua Town, consequently beyond the jurisdiction of the office of Philippolis therefore is hereby accorded to the Captain, Andries Waterboer, the full right and authority, in case any Griqua subject of Philippolis should become guilty of any misdemeanour whatever within the jurisdiction of Griqua Town, to prosecute and to punish such offender, whoever he might be, according to the existing laws of the country.

Finally, in all other matters and things not described or named herein, to represent my person *in my beforementioned capacity*, and to do everything for behoof of the *Griqua rule or Government*, and to execute that which may be found necessary and requisite, and everything with promise of approbation, indemnity, and to hold him harmless according to law.

Government-house, Bloemfontein,

His Excellency Sir PHILIP WODEHOUSE, K.C.B.

SIR,—I am reluctantly compelled to trouble your Excellency once more upon the subject of our border relations, not so much with a view to enlist your Excellency's sympathy and co-operation in vindicating our rights over against our crafty neighbour, as to solicit your Excellency's interference in preventing a British subject, influenced by self-interested and sinister motives, from using his influence to promote the unjust designs and acts of the Griqua Chief, Nicolaas Waterboer.

Your Excellency is, no doubt, aware that on the 26th December, 1861, Captain Adam Kok, Chief of the Philippolis Griquas, through his Agent, Henry Harvey, Esq., sold to this Government all his claim and title to the ground belonging to his territory, and likewise to that of his brother, Cornelius Kok, and of which he, the said Adam Kok, was the acknowledged heir at law, the latter territory including Boutjop and Campbell, beyond the Vaal River, and a certain portion on this side of that stream, inhabited by farmers who hold their titles from the British Government.

From the enclosed copy of an advertisement appearing in the *Colesberg Advertiser*, your Excellency will perceive that the Chief Waterboer has openly declared his supremacy over the whole of the country which formerly belonged to Cornelius Kok, in direct violation of the contract of purchase and sale existing between our Government and the said Adam Kok, whose claim to said grounds was duly acknowledged and confirmed by the British Government by treaty entered into between His Excellency Sir Peregrine Maitland and the said Adam Kok, on the 5th February, 1846.

To this act of aggression I do not hesitate to declare he (the Chief) has been urged on by a certain Mr. David Arnot, of Colesberg, the same individual whom he announces to have appointed his Secretary, Agent, and Representative, and I take the liberty to request that your Excellency will be pleased to take the necessary steps to prevent the said Arnot's undue interference in a matter which, if persisted in, must lead to hostilities between the Griqua nation and this Government.

For your Excellency's further information, I take the liberty to annex translation of a Proclamation which I have thought proper to cause to be inserted in the *Government Gazette* of this State, and likewise a sketch of the grounds referred to.

PROCLAMATION.

Whereas a certain notice has recently appeared in the *Colesberg Advertiser*, dated 1st September, 1863, and signed Nicolaas Waterboer, paramount Chief of the Griqua Territory, in which that Chief claims certain portion of the ground bought by this Government from Captain Adam Kok, on the 26th December, 1861, and which formerly belonged to the late Cornelis Kok: Now, therefore, with reference to a Government Notice No. 59, dated 25th June, 1862, and published in the *Gouvernements Courant* of the 2nd July following, and to a Proclamation issued by the then President of the Orange Free State, M. W. Pretorius, dated 24th September, 1862, and published in the *Gouvernements Courant* of the 8th October following, I proclaim and make known that the right and title of the Free State Government to the abovementioned ground remains unaltered, and I again warn all and every one whomsoever not to possess themselves, barter, or buy any portion or portions of said ground.

Given under my hand and seal, at Bloemfontein, this 11th day of November, 1863.

Government-house, Cape Town,

To His Honour the President of the South African Republic.

SIR,—I find it reported in the public newspapers that some negotiations have taken place between yourself and the President of the Orange Free State on the subject of rights to land between the Vaal and Hart Rivers, and that it is alleged that the Free State President has admitted that all the land between those two rivers belongs to your Government.

It is further stated in the newspapers that the right of your Government to the land in question is derived from some recently discovered document purporting to be a cession made by certain natives in favour of your late father, Mr. A. W. J. Pretorius.

Under these circumstances, it is right that I should inform you that a portion of the lands between the beforenamed rivers are claimed by the Chief Waterboer, who is and for many years has been, in treaty alliance with Her Majesty's Government, and that he has appealed to me and notified his intention of petitioning Her Majesty the Queen for protection from territorial aggressions, and that other portions are claimed by native aboriginal inhabitants with whom this Government is on friendly terms, some of whom have likewise appealed to me to interfere in their behalf.

My predecessor, Sir P. E. Wodehouse, addressed your Honour on the 20th June and 9th October, 1868, on the subject of a Proclamation then recently issued by you, claiming to assume territorial rights over a vast extent of this continent, and over the territory of many tribes of natives theretofore independent, with whom the Government of this Colony is in friendly intercourse, and with whom our people carry on an extensive trade, beneficial both to them and to us.

You were then informed—and I must now reiterate the information—that neither Her Majesty's Government nor the Government of this Colony were prepared to admit the claim you had set up, and that in our future intercourse with the interior, the extended boundaries proclaimed by you would not be respected.

With a view, therefore, to the continuance of the friendly relations hitherto subsisting between this Colony and the South African Republics, I desire to urge upon you, in very strong terms, the necessity for abstaining from encroachment, without lawful and sufficient cause, upon the possessions of Native Tribes in friendly alliance with Her Majesty's Government, and to express a hope that the reports abovementioned do not correctly represent the proceedings between yourself and the President of the Orange Free State.

I have, &c.,
C. C. HAY, Lt.-General,
High Commissioner.

NOTICE.

My attention having been called to a Proclamation of His Honour the President of the Orange Free State, dated Bloemfontein, the 24th September, 1862, in which it is affirmed that as heir to the late Cornelis Kok, I had sold, through Mr. Henry Harvey, to the Government of the Orange Free State, all the rights, &c., of the said Cornelis Kok, as well on the south as on the north side of the Vaal River, I beg distinctly to make known that those rights to be sold through Mr. H. Harvey to the Orange Free State, on my account, were limited to the south bank of the Vaal River, and in no way referred to territory north of the Vaal River.

Fauresmith, 28th April, 1862.

To Captain NICHOLAS WATERBOER,
at Griqua Town.

CAPTAIN,—I have the satisfaction, through the courtesy of Mr. W. Crossley, formerly secretary to Captain Adam Kok, to send you a few lines, being chiefly respecting complaints of burghers of this State, brought to light of thefts committed by persons sojourning in your territory.

The Landdrost of Fauresmith has granted warrants against the most guilty, and I doubt not of your doing everything possible to deliver the guilty to the Government with the view of their being examined and punished by our authorities in case they are found guilty.

It will be unnecessary for me to remark that I cannot allow any thefts committed in my territory to remain unnoticed.

I, therefore, most fully rely on your co-operation towards the extradition of the persons named in the warrant, since I would be most unwilling to resort to measures for their delivery to me that may lead to unpleasant results.

I plainly perceive that it is most difficult for you to exercise your jurisdiction on this side of the Vaal River as you desire. It would be, therefore, most agreeable to me to have a conference with you, with the view of consulting respecting the desirability of making arrangements herein, for the satisfaction of you and my Government.

I am now ready to meet you at such place as would suit you best, and it would be particularly agreeable to me if you would write me something definite concerning the matter. Mr. Crossley would then cause the letter to reach me as speedily as possible.

Should you not be against it, let us meet each other at Jacobsdal; and fix you the date yourself which would best suit you.

I have the honour to be,
Captain,
Your Friend and Servant,
The State President of the O. F. State.

J. STEUART, Master.

In the Court of the Eastern Districts
of the Cape of Good Hope.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy,—Greeting:

WHEREAS, upon the petition to the Honourable EDWARD DWYER, Esq., and the Honourable CHARLES THOMAS SMITH, Esq., Judges of the Supreme Court of the Colony of the Cape of Good Hope, being also the Judges of the Court of the Eastern Districts of the said Colony, of JOHN QUIN and THOMAS WARD, in their capacity as Trustees of the Fort Beaufort and Victoria Bank, it appears to us that SOLOMON (otherwise SAMUEL) IGNATIUS POTGIETER, as one of the partners of the late Firm of LOUW, POTGIETER, and Company, is justly and truly indebted to the said Fort Beaufort and Victoria Bank in the sum of seven hundred and six pounds sterling, being the balance due upon and by virtue of a certain Promissory Note, bearing date the twenty-third day of December, 1868, made and signed by the said LOUW, POTGIETER, and Company, payable on the twenty-third day of March, 1869, to the Trustees of the Fort Beaufort and Victoria Bank, or order, for value received:

And whereas it further appears to us of record that the Firm of LOUW, POTGIETER, and Company has been placed under Sequestration, of which Firm the said SOLOMON (otherwise SAMUEL) IGNATIUS POTGIETER, being a partner, is liable:

And whereas it further appears to us of record that about twelve months ago the said SOLOMON (otherwise SAMUEL) IGNATIUS POTGIETER departed from his Residence at Adelaide, in the Division of Fort Beaufort, and proceeded beyond the boundaries of this Colony to the Transvaal Republic, where he and he now remains absent from this Colony, with intent to defeat or delay his Creditors, in obtaining payment of their just debts, and thus he did commit an act of Insolvency:

And whereas it further appears to us of record that by order of the Honourable Mr. Justice SMITH, bearing date the 12th day of September, 1870, it was ordered that the Estate of SOLOMON (otherwise SAMUEL) IGNATIUS POTGIETER be placed under Sequestration, unless cause be shown to the contrary on the twelfth day of October next:

Now, therefore, we command you that you summon the said SOLOMON (otherwise SAMUEL) IGNATIUS POTGIETER that he be and appear before our Justices of the Court of the Eastern Districts, at Graham's Town, on the twelfth day of October next, to show wherefore his Estate should not be Sequestrated for the benefit of his Creditors, and return you then there this summons, with whatsoever you have done thereupon.

Witness: The Honourable EDWARD DWYER, Esq. Senior Judge of our Court of the Eastern Districts, at Graham's Town, this thirteenth day of September, 1870.

COMPULSORY SEQUESTRATION.

NOTICE is hereby given that the Estate of WILLIAM WRIGHT, formerly of Port Elizabeth, Collector and General Agent, has been placed under Compulsory Sequestration, provisionally, by order of the Honourable Mr. Justice SMITH, bearing date the 15th day of September, 1870, upon the petition of the Trustees of the Port Elizabeth Rock Building Society.

J. STEUART, Master.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy,—Greeting:

WHEREAS, upon the Petition to the Honourable EDWARD DWYER, Esq., Senior Judge, and the Judges of the Court of the Eastern Districts of the Cape of Good Hope, of THOMAS GRIFFITHS, ROBERT WILLIAM KEMSLEY, GEORGE SMYTH, and ROBERT BILSON, all of Port Elizabeth, in their capacity as Trustees of the Port Elizabeth Rock Building Society, against WILLIAM WRIGHT, formerly of Main-street, Port Elizabeth, Collector and General Agent, it appears to us that the said WILLIAM WRIGHT is justly and truly indebted to the said THOMAS GRIFFITHS, ROBERT WILLIAM KEMSLEY, GEORGE SMYTH, and ROBERT BILSON, as such Trustees as aforesaid, in the sum of Two Hundred Pounds sterling, of lawful money, upon and by virtue of a certain Mortgage Bond, bearing date the twenty-second day of May, one thousand eight hundred and sixty-six, made and executed before the Registrar of Deeds of this Colony, by HENRY MATHEW ARDERNE, in his capacity as the duly authorized Agent, in that behalf, of the said WILLIAM WRIGHT, to and in favour of the Trustees for the time being, of the Port Elizabeth Rock Building Society, under hypothecation specially of certain piece of Freehold Land, with the Buildings thereon, therein more particularly referred to and described; and that on or about the fourth day of May, in the year of our Lord one thousand eight hundred and sixty-eight, the said WILLIAM WRIGHT did depart from this Colony, with intent to defraud or delay the said THOMAS GRIFFITHS, ROBERT WILLIAM KEMSLEY, GEORGE SMYTH, and ROBERT BILSON, in their capacity as such Trustees as aforesaid, and his other Creditors, in obtaining payment of their just debts to them due and owing, and hath also from the said lastmentioned date hitherto remained absent from this Colony with the like intent, and did thereby commit an act or acts of Insolvency; whereupon the said THOMAS GRIFFITHS, ROBERT WILLIAM KEMSLEY, GEORGE SMYTH, and ROBERT BILSON, in their said capacity, prayed that the Estate of the said WILLIAM WRIGHT might be sequestrated for the benefit of his Creditors:

And whereas it further appears to us of record that the Honourable CHARLES THOMAS SMITH, one of the Judges of the said Eastern Districts Court, did, by order under his hand, bearing date the fifteenth day of September instant, place the Estate of the said WILLIAM WRIGHT under Compulsory Sequestration, in the hands of the Master of the Supreme Court, until the same should be thereafter adjudged to be sequestrated, or the said Petition should be discharged:

Now, therefore, we command you that you summon the said WILLIAM WRIGHT, that he be before our Judge of the Circuit Court for the Division of Port Elizabeth, including the Division of Humansdorp, to be holden at Port Elizabeth, on the first day of the Sitting of the said Court, at nine o'clock in the forenoon, to show cause, if he have any, why his Estate should not, by sentence of the said Court, be adjudged to be sequestrated for the benefit of his Creditors; and return you then there this Writ, with whatever you have done thereupon.

Witness: The Honourable EDWARD DWYER, Esquire, Senior Judge of the said Court of the Eastern Districts of the Cape of Good Hope, at Graham's Town, the fifteenth day of September, in the year of our Lord 1870.

Cape Town, Sept. 21, 1870.

In the Court of the Eastern Districts of the Cape of Good Hope.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy,—Greeting:

WHEREAS, upon the Petition to the Honourable EDWARD DWYER, Esquire, and the Honourable CHARLES THOMAS SMITH, Esquire, Judges of the Supreme Court of the Colony of the Cape of Good Hope, being also the Judges of the Court of the Eastern Districts of the said Colony, of PHILIP WILLIAM LUCAS, WILLIAM HAW, and EDWARD BOOTH, in their capacity as Trustees for the time being of the Eastern Province Bank, it appears to us that JULIA GREATHEAD, FREDERIC CALDER BATH, and WILLIAM WRIGHT GREATHEAD, trading together at Aliwal North under the style or Firm of GREATHEAD AND COMPANY, are justly and truly indebted to the said Eastern Province Bank in the sum of Two Thousand Two Hundred and Seventy-five Pounds sterling, less the sum of One Hundred and Five Pounds Six Shillings and Eleven Pence sterling received on account, with Interest due thereon, upon and by virtue of a certain Judgment recovered against the said GREATHEAD AND COMPANY by one THOMAS EDWARD MINTO, in his capacity as Manager of the said Eastern Province Bank, and for and on behalf of, and for the benefit of, the said Eastern Province Bank:

And whereas it further appears to us of record that on the twenty-first day of June now last part, a Writ of Execution was sued out of the office of the Registrar of this Honourable Court by the said PHILIP WILLIAM LUCAS, WILLIAM HAW, and EDWARD BOOTH, in their said capacity, in respect of the amount due as aforesaid, against the Goods and Chattels of the said GREATHEAD AND COMPANY, and it now appears from the return of the Deputy Sheriff for the Division of *Aliwal North* that "the sale of the Goods and Chattels of the above-"named Defendants realized the sum of £132 7s. 7d. "sterling, which amount has been duly forwarded to "the High Sheriff at Cape Town, and no other Goods "or Chattels were pointed out or found (after diligent "search made), whereof the deficiency of this Writ "could be made;" and after the costs incurred have been deducted, the said sum of £105 6s. 11d. remains as having been received on account of the said Judgment:

And whereas it further appears to us of record that by order of the Honourable Mr. Justice SMITH, bearing date the thirteenth day of September, 1870, it was ordered that the Estate of GREATHEAD AND COMPANY should be placed under Sequestration, unless cause be shown to the contrary on the twelfth day of October next:

Now, therefore, we command you, that you summon the said GREATHEAD AND COMPANY, that they appear before our Justices of the Court of the Eastern Districts at Graham's Town, on the twelfth day of October next, to show wherefore their Estate should not be sequestrated for the benefit of their Creditors; and return you then there this Summons with whatsoever you have done thereupon.

Witness: The Honourable EDWARD DWYER, Esquire, Senior Judge of our Court of the Eastern Districts, at Graham's Town, this fifteenth day of September, 1870.

Registrar of the Eastern Districts Court.

VICTORIA, bij de Gratie Gods van het Vereenigde Koningrijk van Groot Brittannie en Ierland Koningin, Handhaafster van het Geloof.

Aan den Beljuw van de Kolonie Kaap de Goede Hoop of zijn wettigen Adjunct,—Salut.

AANGEZIEN ons uit de Petitie aan den Edel Achtbaren Heer EDWARD DWYER en aan den Edel Achtbaren Heer CHARLES THOMAS SMITH, de Regters bij ons Hof van de Oostelijke Distrikten van de Kaap de Goede Hoop, Regters bij het Hoog Geregtshof onser Kolonie Kaap de Goede Hoop, van JOHN GRAY en THOMAS WARD, in hunne hoedanigheid van Curatoren der Fort Beaufort en Victoria Bank, is gebleken, dat SOLOMON (anders SAMUEL) IGNATIUS POTGIETER, als een der Vennooten van de Firma LOUW, POTGIETER en Compagnie, regtmatig en naar waarheid schuldig is aan de gezegde Fort Beaufort en Victoria Bank de som van Zeven Honderd en Zes Ponden Sterling, zijnde het salde debet op en uit krachte van zekere Promesse, gedateerd den drie-en-twintigsten dag van December, 1868, uitgemaakt en geteekend door de gezegde LOUW, POTGIETER en Compagnie, betaalbaar op den 23sten dag van Maart, 1869, aan de Curatoren van de Fort Beaufort en Victoria Bank, of order, voor waarde ontvangen;

En aangezien ons verder bij proces verbaal is gebleken, dat de Firma LOUW, POTGIETER en Compagnie onder sekwestratie is gesteld, van welke Firma de gezegde SOLOMON (anders SAMUEL) IGNATIUS POTGIETER, een Vennoot zijnde, aansprakelijk is;

En aangezien verder uit proces verbaal blijkt dat de gezegde SOLOMON (anders SAMUEL) IGNATIUS POTGIETER omtrent 12 maanden geleden vertrokken is van zijne woonplaats te Adelaide, in de Afdeeling Fort Beaufort, en gegaan naar de Transvaalsche Republiek, waar hij nu is en van deze Kolonie afwezig blijft met oogmerk om zijne Krediteuren te verhinderen of op te houden in het ontvangen van betaling hunner regtmatige vorderingen, en daarmede de daad van Insolvent gaan heeft gepleegd;

En aangezien ons verder uit proces verbaal blijkt, dat bij order van den Edel Achtbaren Regter SMITH, gedagteekend den 12den dag van September, 1870, gelast is, den Boedel van SOLOMON (anders SAMUEL) IGNATIUS POTGIETER te plaatsen onder sekwestratie, tenzij op den 12den October aanst., redenen ter kontrarie worden aangevoerd;

Zoo is het dat wij u gelasten den gezegden SOLOMON (anders SAMUEL) IGNATIUS POTGIETER te dagvaarden, om te verschijnen voor de Regters van ons gezegd Hof voor de Oostelijke Distrikten van de Kaap de Goede Hoop, te Grahamstad, op den twaalfden dag van October aanst., om redenen aan te voeren waarom zijn Boedel niet bij vonnis van het gezegde Hof zal worden verwezen tot Sekwestratie als Insolvent ten bate zijner Krediteuren; en alwaar gij van de dagvaarding zult verslag doen met al wat door u daarin is gedaan.

Getuige: De Edel Achtbare Heer EDWARD DWYER, oudste Regter bij ons gezegd Hof voor de Oostelijke Distrikten van de Kaap de Goede Hoop, te Grahamstad, heden, den dertienden dag van September, in het jaar Een Duizend Acht Honderd en Zeventig.

No. 4,269.

THE CAPE OF GOOD HOPE
Government Gazette.

Published by Authority.

TUESDAY, SEPTEMBER 27, 1870.

GOVERNMENT NOTICE.—No. 379, 1870.

Colonial Office, Cape of Good Hope,
19th September, 1870.

HIS Excellency the Lieut.-Governor administering the Government and Her Majesty's High Commissioner directs the following communications addressed by him to the Presidents of the Orange Free State and the South African Republic to be published for general information, and desires to call the particular attention of all subjects of Her Majesty thereto, and in particular those of them who are now at or may hereafter proceed to the country known as the "Diamond-fields."

His Excellency does not propose or intend to interfere in any way to prevent Her Majesty's said subjects from prosecuting legitimately their search for Diamonds or other Minerals in the territories referred to, but on the contrary he is prepared to aid and support them, as far as practicable, in all lawful proceedings, and this notice is made public with the view of affording them the fullest information respecting territorial claims and rights, and in order to prevent them from committing themselves to acts of territorial aggression, which their Sovereign may hereafter be advised to disallow.

The Government of the Chief Waterboer has for many years endeavoured to induce the Government of the Orange Free State to allow their territorial differences to be settled by arbitration, and offered to leave the whole question to be decided by Her Majesty's High Commissioner, and the late High Commissioner, Sir P. E. Wodehouse, expressed to both Governments his willingness to undertake the duty if they would first agree upon the points to be decided by him.

This they appear not to have done, because while Waterboer's Government desired that the whole question in dispute should be so submitted and settled, the Government of the Free State declined to submit to such arbitration any question involving rights to land south of the Vaal River. It is not stated in the documents before His Excellency why it was that the Free State was willing to submit to arbitration the question of right on one side of the river and not on the other. And inasmuch as His Excellency finds by a communication addressed to his predecessor by the Acting President of the Free State on the 12th November, 1863 (hereunder following), that the claim of that State to a large portion, if not the whole, of the land now in dispute on both sides of the river, is therein stated to have been derived from the same source, viz., an alleged purchase from Adam Kok's agent of the so-called lands of Cornelius Kok, the position taken with respect thereto by the Free State Government is incomprehensible.

His Excellency directs a copy of this communication and its enclosures to be published with this notice.

His Excellency directs it farther to be notified that in the early part of this year the President of the Free State and the Chief Waterboer did agree to submit the question of their respective rights to land north of the Vaal River to the arbitration of the High Commissioner, but in consequence of Sir P. E. Wodehouse's then early intended departure from the Colony he was compelled to decline to undertake the task. Since then a personal conference has taken place between the President and Waterboer, which closed without any satisfactory solution of their differences being arrived at, but the President of the Orange Free State has published the Proclamation referred to in His Excellency and notified his intention of petitioning Her Majesty the Queen for protection.

His Excellency also directs to be published with this notice copy of a Map furnished to him by Waterboer, on which are marked off the lines of the several boundaries claimed by his Government. A comparison of this Map and the sketch supplied by the Acting President of the Free State, with his letter of the 12th November, 1863, above mentioned, will enable all persons to inform themselves as to what lands are in dispute between the two Governments, and show that the claim of the Free State to lands held by Waterboer to be his rests upon the legality and validity, or otherwise, of the alleged purchase from Adam Kok of territory once said to have been occupied by the late Cornelius Kok, then deceased.

By command of His Excellency the Lieutenant-Governor administering the Government,

R. SOUTHEY,
Colonial Secretary.

COPY.]

Government-house, Cape Town,
15th September, 1870.

His Honour the President of the
Orange Free State.

SIR,—I observe by the *Friend of the Free State* newspaper of the 8th instant, that you have by Proclamation dated at Klip Drift, on the Vaal River the 29th August last, proclaimed certain lands north of the Vaal River, and commonly called the Campbell lands, to be Free State property, by virtue of a deed of sale dated 26th December, 1861, executed by Mr. Henry Harvey, purporting to be the authorized Agent of Captain Adam Kok. And as I am in communication with the Griqua Chief Waterboer on the subject of lands claimed by him and over which he and his people appear to be desirous that Her Majesty the Queen should exercise sovereignty, I shall be glad if you will furnish me with any proofs your Government may possess respecting the said purchase from Mr. H. Harvey, and of his authority to sell in the name of Adam Kok, as well as of Adam Kok's title to such lands.

2. By communications received by me from the Chief Waterboer, it appears that he not only claims the Campbell Lands on the right bank of the Vaal River to be Griqua Territory, but also lands on the left bank of the said river, extending to lines drawn from Ramah on the Orange River, to "David's Graf," near the confluence of the Riet and Modder Rivers, and thence to Plaatberg, on the Vaal River.

3. It will become my duty shortly to bring these matters under the consideration of Her Majesty's Government, and I shall be glad if your Honour will be pleased to favour me with information relative to the title, if any, possessed by the Orange Free State to the lands east of the Vaal River.

4. I am aware that the Orange Free State claims them, but I am not in possession of any proof of title.

5. I find that my predecessor in office, who was requested by your Government and by the Chief Waterboer to arbitrate between them respecting their territorial rights, suggested to you, on the 24th August, 1869, that you should communicate to him clearly and distinctly the several questions in which the disagreement subsisted, to be accompanied by a sketch of the country, showing the principal disputed points, which does not appear as yet to have been complied with.

6. Under all these circumstances, I take leave to suggest that it will be premature for the Government of the Orange Free State to proceed to the planting of beacons, as stated in the proclamation before mentioned to be its intention,—and awaiting your reply,

I have &c.

Government-house, Cape Town,
19th September, 1870.

His Honour the President of the
Orange Free State.

SIR,—Since addressing to you my despatch of 15th instant, I have observed by the public newspapers that your Government has, after issuing the Proclamation to which in that communication I alluded, taken further action and appointed a Mr. O. J. Truter to be Commissioner for the Diamond-fields, and a Justice of the Peace for the whole State, including, I presume, the territory claimed by the Chief Waterboer, and if so, assuming jurisdiction over a large number of British subjects at present residing within that territory.

I, therefore, deem it my duty to draw your Honour's attention to certain facts respecting the territory in question, as shown by documents in my possession; and to acquaint you that I shall at once issue a notice to all British subjects warning them against being parties to the assumption of territorial rights over lands belonging to Native Chiefs and people, by in any way aiding and abetting such assumption or by acknowledging those rights; and in order that all may understand the aspect which the present position of affairs seems to me to bear I shall publish this and my previous dispatch and other documents in elucidation thereof.

You are aware that long before Sir Harry Smith with the consent of the Chiefs, and people concerned, proclaimed the Sovereignty of Her Majesty the Queen of England over certain territories North of the Orange River, Her Majesty was in alliance by treaty with the Chief Waterboer, of Griqua Town, and that the territories of the said Chief were not included in those over which Her Majesty's Sovereignty was proclaimed.

ANNEXURE No. 1. Before the period above alluded to, and in the year 1838, as appears by the annexed extract from a written agreement then entered into between Waterboer and Adam Kok, the Griqua people divided themselves into two separate and independent portions; one portion to remain under the supremacy of Andreas Waterboer, the predecessor of the present Captain Nicolaas Waterboer as Chief, and resident at Griqua Town, the other portion under that of Adam Kok, whose residence was at Philippolis. By that agreement it was stipulated that Waterboer's eastern boundary should be from Ramah northward to Platberg. And so much of this boundary as extends from Ramah on the Orange River to David's Graf, near the confluence of the Riet and Modder Rivers, has frequently since, in treaties and other public documents, been admitted by Kok, and Waterboer, and by the Governors of this Colony, to be that dividing the two portions of the Griqua territory. The continuation of the eastern boundary of Waterboer northwards from David's Graf to Platberg is not brought forward in the later of these particular documents with the same prominence by reason of the fact that in all of them Adam Kok's territory was treated as confined on the north by the line of the Modder River, and consequently with Waterboer's eastern boundary, north of David's Graf, Adam Kok had no concern.

So far, therefore, these documents appear to substantiate the claim which Waterboer maintains to lands northward and westward of lines drawn from Ramah to David's Graf and thence to Platberg.

But your Government alleges that in the year 1861, and consequently subsequent to the dates of the documents abovementioned, it has become possessed of certain portions of the territory held by Waterboer to be his, by virtue of the sale and cession made to it by one Henry Harvey, as the Agent of Adam Kok, who, it is said, sold, and the Government of the Free State purchased, not only the lands then still remaining as Adam Kok's, but also the lands of Cornelius Kok, a deceased relative of Adam Kok's, who in his lifetime resided at Campbell.

With regard to this alleged sale and purchase, Waterboer represents—

1st. That Cornelius Kok was a British subject, born within this colony, and resident therein until [illegible] after which he came to Griqua Town, [illegible] Andreas Waterboer appointed [illegible] Government, and stationed at [illegible] continued to reside, and [illegible]

2nd. That during all this time, and thereafter until the death of Cornelius Kok, no fresh treaty or agreement had been made between Waterboer and Adam Kok respecting boundaries.

3rd. That Cornelius Kok had no territorial rights, nor had Adam Kok any authority to sell, nor, in fact, did he, by his power of attorney, authorize Harvey to sell, any portion of the Campbell lands, over which Cornelius Kok's petty jurisdiction had at one time extended; and that his said power of attorney to Harvey was limited strictly to lands vested in him in his capacity as Chief of the Griquas of the town and district of Philippolis, to which the Campbell lands never belonged, and contains no reference to any lands claimed by him as heir to Cornelius Kok,—which, in fact, Waterboer asserts he was not.

In support of the foregoing propositions, Waterboer refers to the agreement of 1838, and other documents, among which are the following, viz.:

ANNEXURE No. 2. (a.) A letter from Adam Kok and his Councillors to Governor Sir George Napier, dated 12th November, 1843, in which reference is made to the said Treaty with Waterboer as defining the boundary between the latter and the writer.

ANNEXURE No. 3. (b.) A circular letter addressed by the late Colonial Secretary of this Colony, Mr. Montagu, to A. Waterboer, Adam Kok, and Moshesh, dated 18th April, 1845, requesting answers to several queries respecting (among other things) the lines and conditions of their respective boundaries, in how far the same were defined by Treaties, and what tribes were their neighbours; with the answers thereto of Adam Kok and A. Waterboer, each of whom agrees in considering the other as his next neighbour, and admits that the line between them had been settled by Treaty.

ANNEXURE Nos. 4 & 5.

ANNEXURE No. 6. (c.) A paper addressed by Adam Kok to Waterboer, in 1848, representing that, as many of his people were leaving the Philippolis district, and proceeding to Campbell, they would in consequence be beyond his jurisdiction and within that of Waterboer.

ANNEXURE No. 7. (d.) The power of attorney granted by Adam Kok to Harvey under which the sale to the Free State was made.

ANNEXURE No. 8. (e.) A notice published by Adam Kok, dated 15th November, 1862, in which he denies having authorized the sale of any rights to land north of the Vaal River.

ANNEXURE No. 9. (f.) A letter addressed to Waterboer by the President of the Free State, dated 28th April, 1862, after the date of the alleged sale, in which the writer admits Waterboer's right of jurisdiction on the left bank of the Vaal River, and invites a meeting at Jacobsdal, a place near David's Graf, which latter spot Waterboer has always claimed as one of the defining points of his boundary.

These documents certainly appear to me to show a strong *prima facie* case in favour of Waterboer's right of sovereignty over the territory which your Proclamation claims as belonging to the Free State. And as, though requested by my predecessor to furnish him with a plan descriptive of the boundaries claimed by your Government, and proofs of such of them as you were in a position to prove, you have declined, or at least omitted, to furnish any such proof, I feel bound, provisionally, to form my opinion upon the evidence before me.

This being so, and the Chief Waterboer having always acted in a faithful and friendly manner towards Her Majesty's Government, I think I should not be acting fairly by him if I should allow, without remonstrance or opposition, what at present, and in the absence of proof to the contrary, I must consider as an unjustifiable encroachment upon his independent rights. And I therefore notify to you that I do not acknowledge the claim of sovereignty put forward in your Proclamation within the limits of the territory in dispute between you and Waterboer over any subjects of Her Majesty resident or being therein.

The concourse of people at the Diamond-fields, however, has received my close consideration, and with a view to prevent the commission of crime or outrage by any of Her Majesty's subjects therein, I have taken measures for the issuing of magistrates' commissions giving jurisdiction over such subjects under the provisions of an Act of the Imperial Parliament 26 and 27 Victoria, Cap. XXXV.

I have, &c.,

C. HAY, Lieut.-General,
High Commissioner.

Philippolis, 12th November, 1843.

To His Excellency Sir GEORGE NAPIER, Governor of the Cape of Good Hope.

SIR,—I have had the honour to receive your letter of the 6th of October, together with a copy of the treaty made between the Governor of the Colony and the Chief of the Griquas of Philippolis, and I beg to convey to you my sincere thanks and those of my people for this treaty, by which we are placed under the protection of a nation which has always been known for its equity and generosity, and we hope that nothing shall be wanting on our part towards the perfect maintenance of it.

We acknowledge that the moral and religious instruction which we receive from the missionaries are the only means whereby the prosperity and civilization of a nation can be improved, and we hope that the concern which your Government and the people of Great Britain have taken in us may not have been in vain.

I have, &c.,

In the name of the Philippolis Griquas,

CAPTAIN ADAM KOK,
HENDRIK HENDRIKZE,
S. PRETORIUS,
LUCAS HANS,
GERT KOK,
KLAAS HENDRIKZE.

P.S. I have the honour further to request that as the boundaries of the Ward Philippolis are not described in the Treaty, your Excellency will be pleased to cause the following notice to be published at the same time with the Treaty:

"NOTICE.

"Notice is hereby given to all whom it may concern, that the boundaries of the Ward of Philippolis are the following: On the north the Modder River, on the east the Lands of Moroko, and on the west Ramah; which is the boundary between the territory of Philippolis and Captain Waterboer.

"ADAM KOK."

These are the old boundaries of Philippolis, and are acknowleged in a Treaty with Waterboer, copy of which will be forwarded to your Excellency should it be required.

SIR,—I am directed by His Excellency the Governor to request you will be pleased to furnish me with your replies to the following queries, for the information of the Commission appointed to inquire into the state of affairs as now existing between the Immigrant Boers and the Native Tribes beyond the boundary:

1. What are the boundaries of the territory over which you preside? What tribes, not subject to, or dependent upon you, occupy the lands immediately adjoining? Have any formal agreements been made between you and the Chiefs of the tribes referred to in regard to the limits of their respective territories? Are there any tracts of land in your immediate boundary which you occupy in common with these Tribes, or any tracts that are wholly unoccupied or temporarily possessed by the remnants of broken tribes having no acknowledged Chief?

Answers to questions proposed to the Chief Adam Kok, in a letter from the Colonial Secretary, dated April 18, 1845:

1. The territory claimed by my people is bounded on the south and south-west by the Orange River, on the north and north-east by the Modder River, on the east by the country of Lepui, and on the west by that of Waterboer.

The tribes in my neighbourhood are those of Waterboer, Moroko, Moshesh, and Lepin, all of whom are independent of me.

No written agreement respecting boundary lines has been entered into with any neighbouring chief, except Waterboer; but I have no dispute respecting territory with any of the abovementioned chiefs.

I know of no lands in my immediate neighbourhood unclaimed or unoccupied, and there is no tract of country which I occupy in common with any neighbouring chief, &c., &c., &c., to 6th.

[ANNEXURE No. 5.]

Griqua Town, 29th July, 1845.

To the Honourable the Secretary to the Cape.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th April, and would have given you a reply before this time, but was prevented owing to absence from home. Having, however, now returned home, I take the first opportunity to write to you and to answer your questions.

1. The boundaries of the territory over which I preside are the following: On the east, between the territories of the Chief of Philippolis and my own, at Ramah, distant about 90 miles from Griqua Town; on the north the line cuts between Daniel's Kuil and Koning, about 70 miles from Griqua Town on the west. Kheis is the boundary about 100 miles from Griqua Town, and on the south my boundary runs as the northern boundary of the Colony, as has been agreed upon in the treaty between the Government and myself in the year 1834. In regard to territorial boundaries I have made treaties with two chiefs, viz., Adam Kok, of Philippolis, and Mahurah, one of the chiefs of the Batlapin, a tribe of the Bechuana nation. The nations residing against my boundaries are, on the east, the Griquas of Philippolis; *on the north-east a tribe of Korannas; on the north* the Batlapins, Barolongs, and Battaros, tribes of Bechuanas; *on the west* various tribes of Hottentots and Namaquas; and *on the south* the Colony. There are no portions of land on my boundaries occupied in common by my people, nor are there any unoccupied portions; but on the west, in the Desert, there may be lands occupied by remnants of broken-up tribes of Bushmen.

2. My subjects are of different tribes, the principal are Griquas, Korannas, Bushmen, and refugees of the Bechuanas, chiefly of the *Batlaroe* and *Basuto* tribes. There are chiefs over the various tribes who have the charge of surveillance over them from me, the names are—of the Korranas, Witboy and Klaas; of the Bushmen, Tebe; of the Batlaroos, Samechoe; and of the Basutos, Katlane. All these tribes are subject to me, but when permission is granted to any of these to return to their own lands, then they are absolved from their allegiance to me. The number of people in my ward will be 4,000, of whom—

Batlaroos	800
Basutos	500
Other Bechuanas	150
	1,450

The remaining 2,500 are of the Hottentot tribes, but the number of each separate tribe cannot be precisely named.

3. My people are partly pastoral people, being compelled thereto by the circumstances of the land, for there are very few fountains in the ward which can be used to promote agriculture, but all such lands in my ward as can be irrigated are sown upon. The grain mostly sown are wheat, barley, meallies, and Kaffir corn. The quantity of wheat reaped in prosperous years is about 700 muids, besides other grain. My people plant also potatoes, beans, peas, and other kinds of vegetables. In former years there were many fruit trees in the ward, but in consequence of a severe drought, which lasted for seven years, the largest portion perished; and since our fountains have become revived (in the year 1840), my people have busied themselves in the planting of fresh trees, and there are now on this place figs, peach, quince, and pomegranate trees, and there are vines in the place. During the last two years some thousand of fruit trees have been planted in Griqua Town alone.

The lands which are built upon are by our laws acknowledged as the property of the occupiers, still they cannot sell to strange persons without consent from myself and Raad, neither can I, as chief, alienate any land to other persons without consent of my people made known through a general meeting.

My people are partly spread about in single families, but where the fountains are large enough, there they congregate in small townships, of which the principal are:

	Inhabitants.
Griqua Town, my residence	700
Daniel's Kuil, distant 51 miles from Griqua Town	150
Garsips, distant 30 miles from Griqua Town	300
Blinklip, distant 40 miles from Griqua Town	450
Diepe River, distant 35 miles from Griqua Town	300
Keis, distant 100 miles from Griqua Town	500
Sanddrift, distant 30 miles from Griqua Town	350
Gangenaap, distant 40 miles from Griqua Town	200
Witzenberg, distant 30 miles from Griqua Town	100

But in dry seasons some of those who live in these towns are compelled to remove for pasturage for their flocks.

As regards the fifth and sixth queries, I have to say that there are no emigrant farmers in my territory, and that I have made no agreement with them, and no intercourse has taken place between them and my subjects.

I have, &c.,

A. WATERBOER, Captain.

Further, in my name, and for my behalf, in my capacity as Chief of Griqua nation, and as representing the *Griqua Government as aforementioned*, to consult, to make arrangements, to discuss, and to do that which may be necessary in regard to land cases in the Griqua territory, or any other matter or matters in connection with the interests of the Griqua Government with His Honour the State President of the Orange Free State, or other appointed or authorized official of the Orange Free State Government, wherever required, such as I, in *my abonenamed capacity*, if personally present and acting, could, might, or would do.

Finally, in all other matters and things not described or named herein, to represent my person *in my beforementioned capacity*, and to do everything for behoof of the *Griqua rule or Government*, and to execute that which may be found necessary and requisite, and everything with promise of approbation, indemnity, and to hold him harmless according to law.

Government-house, Bloemfontein,

His Excellency Sir PHILIP WODEHOUSE, K.C.B.

SIR,—I am reluctantly compelled to trouble your Excellency once more upon the subject of our border relations, not so much with a view to enlist your Excellency's sympathy and co-operation in vindicating our rights over against our crafty neighbour, as to solicit your Excellency's interference in preventing a British subject, influenced by self-interested and sinister motives, from using his influence to promote the unjust designs and acts of the Griqua Chief, Nicolaas Waterboer.

Your Excellency is, no doubt, aware that on the 26th December, 1861, Captain Adam Kok, Chief of the Philippolis Griquas, through his Agent, Henry Harvey, Esq., sold to this Government all his claim and title to the ground belonging to his territory, and likewise to that of his brother, Cornelius Kok, and of which he, the said Adam Kok, was the acknowledged heir at law, the latter territory including Boutjop and Campbell, beyond the Vaal River, and a certain portion on this side of that stream, inhabited by farmers who hold their titles from the British Government.

From the enclosed copy of an advertisement appearing in the *Colesberg Advertiser*, your Excellency will perceive that the Chief Waterboer has openly declared his supremacy over the whole of the country which formerly belonged to Cornelius Kok, in direct violation of the contract of purchase and sale existing between our Government and the said Adam Kok, whose claim to said grounds was duly acknowledged and confirmed by the British Government by treaty entered into between His Excellency Sir Peregrine Maitland and the said Adam Kok, on the 5th February, 1846.

To this act of aggression I do not hesitate to declare he (the Chief) has been urged on by a certain Mr. David Arnot, of Colesberg, the same individual whom he announces to have appointed his Secretary, Agent, and Representative, and I take the liberty to request that your Excellency will be pleased to take the necessary steps to prevent the said Arnot's undue interference in a matter which, if persisted in, must lead to hostilities between the Griqua nation and this Government.

For your Excellency's further information, I take the liberty to annex translation of a Proclamation which I have thought proper to cause to be inserted in the *Government Gazette* of this State, and likewise a sketch of the grounds referred to.

PROCLAMATION.

Whereas a certain notice has recently appeared in the *Colesberg Advertiser*, dated 1st September, 1863, and signed Nicolaas Waterboer, paramount Chief of the Griqua Territory, in which that Chief claims certain portion of the ground bought by this Government from Captain Adam Kok, on the 26th December, 1861, and which formerly belonged to the late Cornelis Kok: Now, therefore, with reference to a Government Notice No. 59, dated 25th June, 1862, and published in the *Gouvernements Courant* of the 2nd July following, and to a Proclamation issued by the then President of the Orange Free State, M. W. Pretorius, dated 24th September, 1862, and published in the *Gouvernements Courant* of the 8th October following, I proclaim and make known that the right and title of the Free State Government to the abovementioned ground remains unaltered, and I again warn all and every one whomsoever not to possess themselves, barter, or buy any portion or portions of said ground.

Given under my hand and seal, at Bloemfontein, this 11th day of November, 1863.

Government-house, Cape Town,

To His Honour the President of the South African Republic.

SIR,—I find it reported in the public newspapers that some negotiations have taken place between yourself and the President of the Orange Free State on the subject of rights to land between the Vaal and Hare Rivers, and that it is alleged that the Free State President has admitted that all the land between those two rivers belongs to your Government.

It is further stated in the newspapers that the right of your Government to the land in question is derived from some recently discovered document purporting to be a cession made by certain natives in favour of your late father, Mr. A. W. J. Pretorius.

Under these circumstances, it is right that I should inform you that a portion of the lands between the beforenamed rivers are claimed by the Chief Waterboer, who is and for many years has been, in treaty alliance with Her Majesty's Government, and that he has appealed to me and notified his intention of petitioning Her Majesty the Queen for protection from territorial aggressions, and that other portions are claimed by native aboriginal inhabitants with whom this Government is on friendly terms, some of whom have likewise appealed to me to interfere in their behalf.

My predecessor, Sir P. E. Wodehouse, addressed your Honour on the 20th June and 9th October, 1868, on the subject of a Proclamation then recently issued by you, claiming to assume territorial rights over a vast extent of this continent, and over the territory of many tribes of natives theretofore independent, with whom the Government of this Colony is in friendly intercourse, and with whom our people carry on an extensive trade, beneficial both to them and to us.

You were then informed—and I must now reiterate the information—that neither Her Majesty's Government nor the Government of this Colony were prepared to admit that our future intercourse with the interior, the extended boundaries proclaimed by you would not be respected.

With a view, therefore, to the continuance of the friendly relations hitherto subsisting between this Colony and the South African Republics, I desire to urge upon you, in very strong terms, the necessity for abstaining from encroachment, without lawful and sufficient cause, upon the possessions of Native Tribes in friendly alliance with Her Majesty's Government, and to express a hope that the reports abovementioned do not correctly represent the proceedings between yourself and the President of the Orange Free State.

I have, &c.,

To Captain NICHOLAS WATERBOER,
at Griqua Town.

CAPTAIN,—I have the satisfaction, through the courtesy of Mr. W. Crossley, formerly secretary to Captain Adam Kok, to send you a few lines, being chiefly respecting complaints of burghers of this State, brought to light of thefts committed by persons sojourning in your territory.

The Landdrost of Fauresmith has granted warrants against the most guilty, and I doubt not of your doing everything possible to deliver the guilty to the Government with the view of their being examined and punished by our authorities in case they are found guilty.

It will be unnecessary for me to remark that I cannot allow any thefts committed in my territory to remain unnoticed.

I, therefore, most fully rely on your co-operation towards the extradition of the persons named in the warrant, since I would be most unwilling to resort to measures for their delivery to me that may lead to unpleasant results.

I plainly perceive that it is most difficult for you to exercise your jurisdiction on this side of the Vaal River as you desire. It would be, therefore, most agreeable to me to have a conference with you, with the view of consulting respecting the desirability of making arrangements herein, for the satisfaction of you and my Government.

I am now ready to meet you at such place as would suit you best, and it would be particularly agreeable to me if you would write me something definite concerning the matter. Mr. Crossley would then cause the letter to reach me as speedily as possible.

Should you not be against it, let us meet each other at Jacobsdal; and fix you the date yourself which would best suit you.

NOTES AND REFERENCES.

The Orange River from Kheis to Ramah is the boundary between Waterboer and the Cape Colony, by Sir B. D'Urban's treaty of 11th December, 1834, which is still in force, and under which the Chief receives £150 per annum. The line from Ramah to Platberg is defined in Waterboer's treaty with Adam Kok, 9th November, 1838, and acknowledged by A. Kok, 18th November, 1843, to Sir G. Napier, and that part of it from Ramah to David's Graf is acknowledged in Sir P. Maitland's treaty with A. Kok, 5th February, 1846, was marked out by Major Warden by Beacons in 1850, was acknowledged by the Free State Volksraad in 1856 (see their published proceedings), and was again marked by Beacons by order of the Free State Government in 1859. The line from Kheis to the northern point of Langeberg, and from thence eastwards, taking in Klipfontein, Nelsonsfontein, Boetsaap, and Roelofsfontein, and leaving out Maremani and Koning is defined in Waterboer's treaty with Mahurah, 22nd April, 1842. The Free State has attempted to support its claim to part of Waterboer's Country by calling the well-known Langeberg (Long Mountain) by the name of Platberg, and saying that the above treaty with A. Kok meant to make a line from Ramah to the so-called Platberg.

WHEREAS by the 28th Section of the Act No. 16 of 1856, entitled an "Act for amending the Law relative to the Registration of Voters and to the taking of Polls," it is provided that the Governor shall in every second or alternate year publish a Proclamation, calling upon all persons resident in any Field-cornetcy within any Electoral Division (other than Cape Town or Graham's Town), and qualified to be registered as voters for such Division, but who are not registered in such Field-cornetcy and upon the list of registered Voters for the time being for such Electoral Division, to send in to the Civil Commissioner of such Division their claims, in writing, to be so registered in the manner and form by the said Act prescribed;

Now, therefore, I do, by this my Proclamation, call upon all such persons as aforesaid, to send in their claims as aforesaid, in the manner and form by the said Act, No. 16 of 1856, directed: And I do further proclaim and make known, that all such claims must be delivered in to the Civil Commissioners of the several Electoral Divisions (other than Cape Town or Graham's Town), on or before Friday, the 30th day of September next.

GOD SAVE THE QUEEN!

Given under the Public Seal of the Settlement of the Cape of Good Hope, this 15th day of August, 1870.

No. 39, 1870.

GOVERNMENT NOTICE.—No. 276, 1870.

Colonial Office, Cape of Good Hope, 15th August, 1870.

HIS Excellency the Lieut.-Governor administering the Government has directed the publication of the following directions for the guidance of Officers in the several Electoral Divisions (excepting Cape Town and Graham's Town) who will be employed in the ensuing registration of Voters:

1. The Proclamation of His Excellency the Lieut.-Governor administering the Government of this day's date, fixes the 30th September next as the last day for receiving the claims of persons to be registered. Such claims must be addressed to the Civil Commissioner of the Electoral Division, and should be marked on the outside "Claim to be registered as a Voter." They may be sent direct to the Civil Commissioner, or be left with the field-cornet of the field-cornetcy in which the claimant resides.

2. Persons possessing any of the following qualifications are entitled to be registered, excepting if they are of unsound minds, or have been convicted or sentenced for any of the crimes of treason, murder, rape, theft, fraud, perjury, or forgery, and have not received a free pardon, viz.:

1st. Occupation for not less than 12 months past of houses, warehouses, shops, offices, or other buildings, of the value of £25.

2nd. Enjoyment for not less than 12 months of salary or wages at the rate of not less than £50 per annum.

3rd. Enjoyment for not less than 12 months of salary or wages at the rate of not less than £25, if the party shall in addition have been supplied with board and lodging. (For further particulars see Sec. 8 of Constitution Ordinance.)

3. It will be the duty of the field-cornet to preserve all such claims as he may receive, and, as soon as practicable after the day fixed as the last day for receiving them, he will carefully enclose and transmit them to the Civil Commissioner.

4. The Civil Commissioner of each Electoral Division will, as soon as practicable, transmit to each field-cornet in that Division a list of the voters who are now registered as of that field-cornetcy, together with a letter desiring him to notify or report, either upon the list itself or on a separate paper, such persons as may, to the best of his knowledge and belief, have died, have removed from such field-cornetcy, or have ceased to possess the qualification of voters.

5. When the Civil Commissioner shall have received the report of the field-cornet, he will proceed to frame a new list for such field-cornetcy, inserting the names of parties who have claimed to be registered, and rejecting such as should no longer remain thereon.

6. This list should be transmitted to the field-cornet in whose field-cornetcy it relates, with a notice attached, written in English and Dutch, calling upon persons who may have been omitted from the list, or who may object to any names inserted therein to lodge their claims and objections with him within seven days, or later than twenty-eight days next [illegible] day of posting. (For form of Notice see No. 1, at foot.)

7. The Civil Commissioner will, at the same time, transmit to the field-cornet another list, containing the names of all persons who shall by such field-cornet have been notified as dead, or as having ceased to reside in such field-cornetcy, or as having ceased to possess the qualification of voters. The list must be headed as directed by the 11th Section of Act 16, 1856, and must have appended the notice therein prescribed, inviting parties to claim their right to be registered. (See form of notice at foot.)

8. The first of the above notices will be signed by the field-cornet, the second by the Civil Commissioner, but the field-cornet will post them both at some public place for seven clear days—that is, seven days exclusive of the day of posting and the day of removal.

9. As soon as practicable after the latest day fixed for receiving claims and objections in respect of these lists, the field-cornet will transmit to the Resident Magistrate of the district in which his field-cornetcy is situate all such claims and objections as have been lodged with him; and if none be lodged with him, he will report the circumstance to the Resident Magistrate. (For forms of claims and objections, see Sections 13 and 14, Act 16, 1856.)

10. When an Electoral Division comprises several Judicial Districts, the Civil Commissioner of that division will, when transmitting to the field-cornets the lists referred to in the 6th paragraph of these directions, transmit also to the several Resident Magistrates copies of the lists sent to the field-cornets within their respective districts.

11. When the Resident Magistrate of any such district shall be in possession of such list and of the claims and objections transmitted to him by the several field-cornets in his district, he will prepare, in regard to each field-cornetcy, and in the form prescribed in Sections 18 and 19 of Act 16, 1856, separate lists of claimants and persons objected to, which he will cause to be posted near his court-room, and also in each field-cornetcy with a notice announcing a day, not sooner than one month after posting, on which he will hold a court in his court-room or other more convenient place, for the purpose of hearing and determining all claims and objections.

12. Every claimant who shall have duly lodged his claim shall be bound to prove to the satisfaction of the Magistrate, either in person or by some one else authorized in writing to appear for him, his right to be registered as a voter in such field-cornetcy. The claims of persons failing to appear either in person or by agent will not be allowed.

13. If any person who shall have objected to the right of another person to be registered shall fail, either personally or by agent, to make good such objection it will be dismissed, whether the party objected to appear or not. If the party objected to fail to appear in person then, upon oath of the objecting person that to his belief the objection does really exist, it will be allowed.

14. When all claims and objections shall have been determined, the Magistrate will transmit the original list, together with a list of all admitted claims and objections, to the Civil Commissioner of the Electoral Division, who will prepare the Electoral Roll for such Division.

By command of His Excellency the Lieut.-Governor administering the Government,

R. SOUTHEY, Colonial Secretary.

Forms of Notices referred to in paragraphs 6 and 7 of the above Directions.

1. Notice is hereby given that if any inhabitant of the field-cornetcy of ——, whose name is not inserted in the above list, shall claim to be entitled to have his name inserted therein, or if any such inhabitant shall object to the right of any person whose name appears on the above list, whether a person formerly registered or not, to be registered as a voter, such inhabitant may lodge his claim or objection in writing with Mr. —— the field-cornet of the said field-cornetcy, on or before the — day of —— (here insert some day not sooner than ten nor later than twenty-eight days next after the day on which the list aforesaid shall have been first posted), in order that such claim or objection may be recorded and dealt with as the law directs.

Given under my hand this —— day, &c.

(Signed) C. D., Field-cornet.

2. Notice is hereby given that all the abovementioned persons are believed to have ceased to be entitled to be registered as voters in this field-cornetcy, and that none of the said persons will continue registered unless he shall, in pursuance of the notice subjoined to the certain other list now posted at this place, lodge his claim afresh, just as if he had never been registered before.

(Signed) E. F., Civil Commissioner of the Division of ——.

14. If, during the continuance of any war in which Her Majesty may be neutral, any ship, goods, or merchandise captured as prize of war within the territorial jurisdiction of Her Majesty, in violation of the neutrality of this realm, or captured by any ship which may have been built, equipped, commissioned, or despatched, or the force of which may have been augmented, contrary to the provisions of this Act, are brought within the limits of Her Majesty's dominions by the captor, or any agent of the captor, or by any person having come into possession thereof with knowledge that the same was prize of war so captured as aforesaid, it shall be lawful for the original owner of such prize, or his agent, or for any person authorized in that behalf by the Government of the foreign state to which such owner belongs, to make application to the Court of Admiralty for seizure and detention of such prize, and the court shall, on due proof of the facts, order such prize to be restored.

Every such order shall be executed and carried into effect in the same manner, and subject to the same right of appeal, as in case of any order made in the exercise of the ordinary jurisdiction of such court; and in the meantime and until a final order has been made on such application the court shall have power to make all such provisional and other orders as to the care or custody of such captured ship, goods, or merchandise, and (if the same be of perishable nature, or incurring risk of deterioration) for the sale thereof, and with respect to the deposit or investment of the proceeds of any such sale, as may be made by such court in the exercise of its ordinary jurisdiction.

General Provision.

15. For the purposes of this Act a licence by Her Majesty shall be under the sign manual of Her Majesty, or be signified by Order in Council or by proclamation of Her Majesty.

Legal Procedure.

16. Any offence against this Act shall, for all purposes of and incidental to the trial and punishment of any person guilty of any such offence, be deemed to have been committed either in the place in which the offence was wholly or partly committed, or in any place within Her Majesty's dominions in which the person who committed such offence may be.

17. Any offence against this Act may be described in any indictment or other document relating to such offence, in cases where the mode of trial requires such a description, as having been committed at the place where it was wholly or partly committed, or it may be averred generally to have been committed within Her Majesty's dominions, and the venue or local description in the margin may be that of the county, city, or place in which the trial is held.

18. The following authorities, that is to say, in the United Kingdom any judge of a superior court, in any other place within the jurisdiction of any British court of justice, such court, or, if there are more courts than one, the court having the highest criminal jurisdiction in that place, may, by warrant or instrument in the nature of a warrant in this section included in the term "warrant," direct that any offender charged with an offence against this Act shall be moved to some other place in Her Majesty's dominions for trial in cases where it appears to the authority granting the warrant that the removal of such offender would be conducive to the interests of justice, and any prisoner so removed shall be triable at the place to which he is removed, in the same manner as if his offence had been committed at such place.

Any warrant for the purposes of this section may be addressed to the master of any ship or to any other person or persons, and the person or persons to whom such warrant is addressed shall have power to convey the prisoner therein named to any place or places named in such warrant, and to deliver him, when arrived at such place or places, into the custody of any authority designated by such warrant.

Every prisoner shall, during the time of his removal under any such warrant as aforesaid, be deemed to be in the legal custody of the person or persons empowered to remove him.

19. All proceedings for the condemnation and forfeiture of a ship, or ship and equipment, or arms and munitions of war, in pursuance of this Act shall require the sanction of the Secretary of State or such chief executive authority as is in this Act mentioned, and shall be had in the Court of Admiralty, and not in any other court; and the Court of Admiralty shall, in addition to any power given to the court by this Act, have in respect of any ship or other matter brought before it in pursuance of this Act all powers which it has in the case of a ship or matter brought before it in the exercise of its ordinary jurisdiction.

20. Where any offence against this Act has been committed by any person by reason whereof a ship, or ship and equipment, or arms and munitions of war, has or have become liable to forfeiture, proceedings may be instituted contemporaneously or not, as may be thought fit, against the offender in any court having jurisdiction of the offence, and against the ship, or ship and equipment, or arms and munitions of war, for the forfeiture in the Court of Admiralty; but it shall not be necessary to take proceedings against the offender because proceedings are instituted for the forfeiture, or to take proceedings for the forfeiture because proceedings are taken against the offender.

21. The following officers, that is to say,

(1.) Any officer of customs in the United Kingdom, subject nevertheless to any special or general instructions from the Commissioners of Customs or any officer of the Board of Trade, subject nevertheless to any special or general instructions from the Board of Trade;

(2.) Any officer of customs or public officer in any British possession, subject nevertheless to any special or general instructions from the governor of such possession;

(3.) Any commissioned officer on full pay in the military service of the Crown, subject nevertheless to any special or general instructions from his commanding officer;

(4.) Any commissioned officer on full pay in the naval service of the Crown, subject nevertheless to any special or general instructions from the Admiralty or his superior officer,

may seize or detain any ship liable to be seized or detained in pursuance of this Act, and such officers are in this Act referred to as the "local authority;" but nothing in this Act contained shall derogate from the power of the Court of Admiralty to direct any ship to be seized or detained by any officer by whom such court may have power under its ordinary jurisdiction to direct a ship to be seized or detained.

22. Any officer authorised to seize or detain any ship in respect of any offence against this Act may, for the purpose of enforcing such seizure or detention, call to his aid any constable or officers of police, or any officers of Her Majesty's army or navy or marines, or any excise officers or officers of customs, or any harbour-master or dock-master, or any officers having authority by law to make seizures of ships, and may put on board any ship so seized or detained any one or more of such officers to take charge of the same, and to enforce the provisions of this Act, and any officer seizing or detaining any ship under this Act may use force, if necessary, for the purpose of enforcing seizure or detention, and if any person is killed or maimed by reason of his resisting such officer in the execution of his duties, or any person acting under his orders, such officer so seizing or detaining the ship, or other person, shall be freely and fully indemnified as well against the Queen's Majesty, her heirs and successors, as against all persons so killed, maimed, or hurt.

23. If the Secretary of State or the chief executive authority is satisfied that there is a reasonable and probable cause for believing that a ship within Her Majesty's dominions has been or is being built, commissioned, or equipped contrary to this Act, and is about to be taken beyond the limits of such dominions, or that a ship is about to be despatched contrary to this Act, such Secretary of State or chief executive authority shall have power to issue a warrant stating that there is reasonable and probable cause for believing as aforesaid, and upon such warrant the local authority shall have power to seize and search such ship, and to detain the same until it has been either condemned or released by process of law, or in manner hereinafter mentioned.

The owner of the ship so detained, or his agent, may apply to the Court of Admiralty for its release, and the court shall as soon as possible put the matter of such seizure and detention in course of trial between the applicant and the Crown.

If the applicant establish to the satisfaction of the court that the ship was not and is not being built, commissioned, or equipped, or intended to be despatched contrary to this Act, the ship shall be released and restored.

If the applicant fail to establish to the satisfaction of the court that the ship was not and is not being built, commissioned, or equipped, or intended to be despatched contrary to this Act, then the ship shall be detained till released by order of the Secretary of State or chief executive authority.

The court may in cases where no proceedings are pending for its condemnation release any ship detained under this section on the owner giving security to the satisfaction of the court that the ship shall not be employed contrary to this Act, notwithstanding that the applicant may have failed to establish to the satisfaction of the court that the ship was not and is not being built, commissioned, or intended to be despatched contrary to this Act. The Secretary of State or the chief executive authority may likewise release any ship detained under this section on the owner giving security to the satisfaction of such Secretary of State or chief executive authority that the ship shall not be employed contrary to this Act, or may release the ship without such security if the Secretary of State or chief executive authority think fit so to release the same.

If the court be of opinion that there was not reasonable and probable cause for the detention, and if no such cause appear in the course of the proceedings, the court shall have power to declare that the owner is to be indemnified by the payment of costs and damages in respect of the detention, the amount thereof to be assessed by the court, and any amount so assessed shall be payable by the Commissioners of the Treasury out of any moneys legally applicable for that purpose. The Court of Admiralty shall also have power to make a like order for the indemnity of the owner, on the application of such owner to the court, in a summary way, in cases where the ship is released by the order of the Secretary of State or the chief executive authority, before any application is made by the owner or his agent to the court for such release.

Nothing in this section contained shall affect any proceedings instituted or to be instituted for the condemnation of any ship detained under this section where such ship is liable to forfeiture, subject to this provision, that if such ship is restored in pursuance of this section all proceedings for such condemnation shall be stayed; and where the court declares that the owner is to be indemnified by the payment of costs and damages for the detainer, all costs, charges, and expenses incurred by such owner in or about any proceedings for the condemnation of such ship shall be added to the costs and damages payable to him in respect of the detention of the ship.

Nothing in this section contained shall apply to any foreign non-commissioned ship despatched from any part of Her Majesty's dominions after having come within them under stress of weather or in the course of a peaceful voyage, and upon which ship no fitting out or equipping of a warlike character has taken place in this country.

24. Where it is represented to any local authority, as defined by this Act, and such local authority believes the representation, that there is a reasonable and probable cause for believing that a ship within Her Majesty's dominions has been or is being built, commissioned, or equipped contrary to this Act, and is about to be taken beyond the limits of such dominions, or that a ship is about to be despatched contrary to this Act, it shall be the duty of such local authority to detain such ship, and forthwith to communicate the fact of such detention to the Secretary of State or chief executive authority.

Upon the receipt of such communication the Secretary of State or chief executive authority may order the ship to be released if he thinks there is no cause for detaining her, but if satisfied that there is reasonable and probable cause for believing that such ship was built, commissioned, or equipped or intended to be despatched in contravention of this Act, he shall issue his warrant stating that there is reasonable and probable cause for believing as aforesaid, and upon such warrant being issued further proceedings shall be had as in cases where the seizure or detention has taken place on a warrant issued by the Secretary of State without any communication from the local authority.

Where the Secretary of State or chief executive authority orders the ship to be released on the receipt of a communication from the local authority without issuing his warrant, the owner of the ship shall be indemnified by the payment of costs and damages in respect of the detention upon application to the Court of Admiralty in a summary way in like manner as he is entitled to be indemnified where the Secretary of State having issued his warrant under this Act releases the ship before any application is made by the owner or his agent to the court for such release.

25. The Secretary of State or the chief executive authority may, by warrant, empower any person to enter any dockyard or other place within Her Majesty's dominions, and inquire as to the destination of any ship which may appear to him to be intended to be employed in the naval or military service of any foreign state at war with a friendly state, and to search such ship.

26. Any powers or jurisdiction by this Act given to the Secretary of State may be exercised by him throughout the dominions of Her Majesty, and such powers and jurisdiction may also be exercised by any of the following officers, in this Act referred to as the chief executive authority, within their respective jurisdictions; that is to say,

(1.) In Ireland by the Lord-Lieutenant or other the chief Governor or Governors of Ireland for the time being, or the Chief Secretary to the Lord-Lieutenant:

(2.) In Jersey by the Lieutenant-Governor:

(3.) In Guernsey, Alderney, and Sark, and the dependent islands by the Lieutenant-Governor:

(4.) In the Isle of Man by the Lieutenant-Governor:

(5.) In any British possession by the Governor.

A copy of any warrant issued by a Secretary of State or by any officer authorized in pursuance of this Act to issue such warrant in Ireland, the Channel Islands, or the Isle of Man shall be laid before Parliament.

27. An appeal may be had from any decision of a Court of Admiralty under this Act to the same tribunal and in the same manner as and in which an appeal may be had in cases within the ordinary jurisdiction of the court as a Court of Admiralty.

28. Subject to the provisions of this Act providing for the award of damages in certain cases in respect of the seizure or detention of a ship by the Court of Admiralty no damages shall be payable, and no officer or local authority shall be responsible, either civilly or criminally, in respect of the seizure or detention of any ship in pursuance of this Act.

29. The Secretary of State shall not, nor shall the chief executive authority, be responsible in any action or other legal proceedings whatsoever for any warrant issued by him in pursuance of this Act, or be examinable as a witness, except at his own request, in any court of justice in respect of the circumstances which led to the issue of the warrant.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS We are happily at Peace with all Sovereigns, Powers, and States:

And whereas, notwithstanding Our utmost Exertions to preserve Peace between all Sovereign Powers and States, a State of War unhappily exists between His Imperial Majesty the Emperor of the *French* and His Majesty the King of *Prussia*, and between their respective Subjects and others inhabiting within their Countries, Territories, or Dominions:

And whereas We are on Terms of Friendship and amicable Intercourse with each of these Sovereigns, and with their several Subjects and others inhabiting within their Countries, Territories, or Dominions:

And whereas great Numbers of Our loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and Privileges, within the Dominions of each of the aforesaid Sovereigns, protected by the Faith of Treaties between Us and each of the aforesaid Sovereigns:

And whereas We, being desirous of preserving to Our Subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to abstain altogether from taking any Part, directly or indirectly, in the War, now unhappily existing between the said Sovereigns, their Subjects and Territories, and to remain at Peace with and to maintain a peaceful and friendly Intercourse with each of them, and their respective Subjects, and others inhabiting within any of their respective Countries, Territories, and Dominions, and to maintain a strict and impartial Neutrality in the said State of War unhappily existing between them:

We, therefore, have thought fit, by and with the Advice of Our Privy Council, to issue this Our Royal Proclamation:

And We do hereby strictly charge and command all Our loving Subjects to govern themselves accordingly, and to observe a strict Neutrality in and during the aforesaid War, and to abstain from violating or contravening either the Laws and Statutes of the realm in this behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their Peril."

And whereas in and by a certain Statute made and passed in the present Year of Her Majesty, intituled "An Act to regulate the Conduct of Her Majesty's Subjects during the Existence of Hostilities between Foreign States with which Her Majesty is at Peace," it is, amongst other things, declared and enacted as follows:

"ILLEGAL ENLISTMENT.

"If any Person, within the Licence of Her Majesty, being a British Subject, within or without Her Majesty's Dominions, accepts or agrees to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with any Foreign State at Peace with Her Majesty, and in this Act referred to as a friendly State, or whether a British Subject or not within Her Majesty's Dominions, induces any other Person to accept or agree to accept any Commission or Engagement in the Military or Naval Service of any such Foreign State as aforesaid,—

"He shall be guilty of an offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person, without the Licence of Her Majesty, being a British Subject, quits or goes on board any Ship with a view quitting Her Majesty's Dominions, with intent to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State, or, whether a British Subject or not, within Her Majesty's Dominions, induces any other Person to quit or to go on board any Ship with a view of quitting Her Majesty Dominions with the like Intent,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person induces any other Person to quit Her Majesty's Dominions, or to embark on any Ship within Her Majesty's Dominions under a Misrepresentation or false Representation of the Service in which such Person is to be engaged, with the Intent or in order that such Person may accept or agree to accept any Commission or Engagement in the Military or Naval Service of any Foreign State, at War with a friendly State,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted, and Imprisonment, if awarded, may be either with or without Hard Labour.

"If the Master or Owner of any Ship, without the Licence of Her Majesty, knowingly either takes on board, or engages to take on board, or has on board such Ship within Her Majesty's Dominions any of the following Persons, in this Act referred to as illegally enlisted Persons, that is to say,

"(1.) Any Person who, being a British Subject within or without the Dominions of Her Majesty, has without the Licence of Her Majesty, accepted or agreed to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with any friendly State:

"(2.) Any Person, being a British Subject, who, without the Licence of Her Majesty, is about to quit Her Majesty Dominions with intent to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State:

"(3.) Any Person who has been induced to embark under a Misrepresentation or false Representation of the Service in which such Person is to be engaged, with the Intent or in order that such Person may accept or agree to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State:

"Such Master or Owner shall be guilty of an Offence against this Act, and the following Consequences shall ensue; that is to say,

"(1.) The Offender shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour: and

"(2.) Such Ship shall be detained until the Trial and Conviction or Acquittal of the Master or Owner, and until all Penalties inflicted on the Master or Owner have been paid, or the Master or Owner has given Security for the Payment of such Penalties to the Satisfaction of Two Justices of the Peace, or other Magistrate or Magistrates having the Authority of Two Justices of the Peace: and

"(3.) All illegally enlisted Persons shall, immediately on the Discovery of the Offence, be taken on Shore, and shall not be allowed to return to the Ship.

"ILLEGAL SHIPBUILDING AND ILLEGAL EXPEDITIONS.

"If any Person within Her Majesty's Dominions, without the Licence of Her Majesty, does any of the following Acts; that is to say,—

"(1.) Builds or agrees to build, or causes to be built any Ship with Intent or Knowledge, or having reasonable Cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State: or

"(2.) Issues or delivers any Commission for any Ship with Intent or Knowledge, or having reasonable Cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State: or

"(3.) Equips any Ship with Intent or Knowledge, or having reasonable Cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State: or

"(4.) Despatches, or causes or allows to be despatched, any Ship with Intent or Knowledge, or having reasonable Cause to believe that the same shall or will be employed in the Military or Naval Service of any Foreign State at War with any friendly State:

"Such Person shall be deemed to have committed an Offence against this Act, and the following Consequences shall ensue:

"(1.) The Offender shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"(2.) The Ship in respect of which any such Offence is committed, and her Equipment, shall be forfeited to Her Majesty:

"Provided, that a Person building, causing to be built, or equipping a Ship in any of the Cases aforesaid in pursuance of a Contract made before the Commencement of such War as aforesaid, shall not be liable to

any of the Penalties imposed by this Section in respect of such building or equipping if he satisfies the Conditions following; (that is to say,)

"(1.) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives notice to the Secretary of State that he is so building, causing to be built, or equipping such Ship, and furnishes such particulars of the Contract and of any Matters relating to, or done, or to be done under the Contract as may be required by the Secretary of State:

"(2.) If he gives such Security, and takes and permits to be taken such other Measures, if any, as the Secretary of State may prescribe for ensuring that such Ship shall not be despatched, delivered, or removed without the Licence of Her Majesty until the Termination of such War as aforesaid.

"Where any Ship is built by order of on or behalf of any Foreign State when at War with a friendly State, or is delivered to or to the Order of such Foreign State, or any Person who to the knowledge of the Person building is an Agent of such Foreign State, or is paid for by such Foreign State or such Agent, and is employed in the Military or Naval Service of such Foreign State, such Ship shall, until the contrary is proved, be deemed to have been built with a view to being so employed, and the Burden shall lie on the Builder of such Ship of proving that he did not know that the Ship was intended to be so employed in the Military or Naval Service of such Foreign State.

"If any Person within the Dominions of Her Majesty, and without the Licence of Her Majesty,—

"By adding to the Number of the Guns, or by changing those on board for other Guns, or by the Addition of any Equipment for War, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike Force of any Ship which at the Time of her being within the Dominions of Her Majesty was a Ship in the Military or Naval Service of any Foreign State at War with any friendly State,—

"Such Person shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person within the Limits of Her Majesty's Dominions, and without the Licence of Her Majesty,—

"Prepares or fits out any Naval or Military Expedition to proceed against the Dominions of any friendly State, the following Consequences shall ensue:

"(1.) Every Person engaged in such Preparation or fitting out, or assisting therein, or employed in any Capacity in such Expedition, shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such Punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"(2.) All Ships and their Equipments, and all Arms and Munitions of War, used in or forming Part of such Expedition, shall be forfeited to Her Majesty.

"Any Person who aids, abets, counsels, or procures the Commission of any Offence against this Act shall be liable to be tried and punished as a principal Offender."

And whereas by the said Act it is further provided that Ships built, commissioned, equipped, or despatched in contravention of the said Act, may be condemned and forfeited by Judgment of the Court of Admiralty; and that if the Secretary of State or Chief Executive Authority is satisfied that there is a reasonable and probable cause for believing that a Ship within Her Majesty's Dominions has been, or is being built, commissioned, or equipped, contrary to the said Act, and is about to be taken beyond the Limits of such Dominions, or that a Ship is about to be despatched contrary to the Act, such Secretary of State, or Chief Executive Authority, shall have Power to issue a Warrant authorizing the Seizure and Search of such Ship and her Detention until she has been either condemned or released by Process of Law. And whereas certain Powers of Seizure and Detention are conferred by the said Act on certain Local Authorities:

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command, that no Person or Persons whatsoever do commit any Act, Matter, or Thing whatsoever contrary to the Provisions of the said Statute, upon Pain of the several Penalties by the said Statute imposed, and of Our high Displeasure.

And We do hereby further warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each of the aforesaid Sovereigns, their Subjects, and Territories, and towards all Belligerents whatsoever, with whom we are at Peace, the Duties of Neutrality; and to respect, in all and each of them the Exercise of those Belligerent Rights which We and Our Royal Predecessors have always claimed to exercise.

And We hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume in contempt of this Our Royal Proclamation, and of Our high Displeasure, to do any Acts in derogation of their duty as Subjects of a Neutral Sovereign in a War between other Sovereigns, or in violation or contravention of the Law of Nations in that Behalf as more especially by breaking, or endeavouring to break, any Blockade lawfully and actually established by or on behalf of either of the said Sovereigns, or by carrying Officers, Soldiers, Despatches, Arms, Ammunition, Military Stores or Materials, or any Article or Articles considered and deemed to be Contraband of War according to the Law or modern Usages of Nations, for the Use or Service of either of the said Sovereigns, that all Persons so offending, together with their Ships and Goods, will rightfully incur and be justly liable to hostile Capture, and to the Penalties denounced by the Law of Nations in that Behalf.

And We do hereby give Notice that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the Premises will do so at their Peril, and of their own Wrong; and that they will in no wise obtain any Protection from Us against such Capture, or such Penalties as aforesaid, but will, on the contrary, incur Our high Displeasure by such Misconduct.

Given at Our Court at *Osborne House, Isle of Wight*, this Ninth Day of *August*, in the year of our Lord One thousand eight hundred and seventy, and in the Thirty-fourth Year of Our Reign.

GOD SAVE THE QUEEN!

PROCLAMATION

BY HIS EXCELLENCY LIEUT.-GENERAL CHARLES CRAUFURD HAY,

Lieutenant-Governor administering the Government of Her Majesty's Colony of the Cape of Good Hope.

[No. 68,—1870.]

GOUVERNEMENTS BERIGT No. 379, 1870.

Koloniale Secretarie, Kaap de Goede Hoop,
19 September, 1870.

ZIJNE Excellentie de Luitenant Gouverneur belast met het bestuur en Harer Majesteits Hooge Commissaris heeft gelast de volgende communicatien, door hem gerigt aan den President van den Oranje Vrijstaat en dien van de Zuid Afrikaansche Republiek tot algemeen narigt bekend te maken, en wenscht daarop de aandacht te vestigen van alle onderdanen van Hare Majesteit, inzonderheid diegenen hunner, die zich thans bevinden op, of na dezen zich mogen begeven naar het land, bekend als de "Diamantvelden."

Zijne Excellentie heeft geen plan of voornemen, Harer Majesteits gezegde onderdanen op eenigerlei wijze te verhinderen, om voort te gaan met op wettige wijze te zoeken naar diamanten of andere mineralen op het gezegde grondgebied, maar hij is integendeel bereid zoo veel doenlijk hen in alle wettige handelingen te helpen en te ondersteunen; en deze kennisgeving geschiedt met het doel om hun de volledigste inlichtingen te verschaffen betreffende territoriale regten en aanspraken, ten einde hen te verhinderen, zich verantwoordelijk te maken wegens daden van territoriale aanmandingen, welke hun Souverein later mogt geraden worden niet te staan.

De Regering van het Opperhoofd Waterboer heeft sedert vele jaren getracht, de Regering van den Oranje Vrijstaat te bewegen om hare geschillen omtrent grondgebied te laten uitmaken bij arbitrage, en bood aan, de geheele kwestie te laten beslechten door Harer Majesteits Hoogen Commissaris; en de voormalige Hooge Commissaris, Sir P. E. Wodehouse, gaf aan de beide Regeringen zijne bereidwilligheid te kennen, om die taak op zich te nemen, indien zij eerst wilden overeenkomen omtrent de door hem te beslissen punten.

Dit blijken zij niet gedaan te hebben, omdat, terwijl Waterboers Regering verlangde, dat de geheele kwestie in geschil aldus zou worden voorgelegd en uitgemaakt, de Regering van den Vrijstaat weigerde, aan die arbitrage eenigerlei kwestie te onderwerpen, waarbij de regten op land ten zuiden van de Vaalrivier waren betrokken. In de voor Zijne Excellentie liggende dokumenten wordt niet opgegeven, waarom de Vrijstaat bereid was de kwestie van regt aan de eene en niet die aan de andere zijde der rivier aan die arbitrage te onderwerpen. En aangezien Zijne Excellentie, uit eene hieronder volgende, op 12 November, 1863, door den Waarnemenden President van den Vrijstaat aan zijn voorganger gerigte communicatie bemerkt, dat de aanspraak, die die Staat maakt op een groot gedeelte van zoo niet al het thans in geschil zijnde land aan beide zijden der rivier, daarin wordt gezegd ontleend te zijn aan dezelfde bron, namelijk een beweerden aankoop der zoogenaamde landerijen van Cornelius Kok, uit handen van Adam Koks agent, is de stelling, door de Vrijstaatsche Regering ten opzigte derzelve ingenomen, onbegrijpelijk.

Zijne Excellentie heeft gelast een afschrift van deze communicatie met het daarbij ingesloten met deze kennisgeving te publiceren.

Verder gelast Zijne Excellentie bekend te maken, dat in het begin dezes jaars de President van den Vrijstaat en het Opperhoofd Waterboer overeengekomen zijn, om de kwestie van hunne respektive regten op land benoorden de Vaalrivier te onderwerpen aan de scheideregterlijke uitspraak van den Hoogen Commissaris; maar tengevolge van het toen voorgenomen vroegtijdig vertrek van Sir P. E. Wodehouse uit de Kolonie, was deze verpligt, het aanvaarden dier taak van de hand te wijzen. Sedert heeft tusschen den President en Waterboer eene persoonlijke conferentie plaats gehad, die afliep zonder tot eenigerlei bevredigende oplossing hunner geschillen te doen geraken, maar de President van den Oranje Vrijstaat heeft de in Zijner Excellenties Dépêches bedoelde Proklamatie gepubliceerd; en Waterboer heeft zich andermaal op Zijner Excellenties tusschenkomst beroepen en zijn voornemen bekend gemaakt, om Hare Majesteit de Koningin om bescherming te petitioneren.

Zijne Excellentie heeft ook gelast om nevens deze kennisgeving kopie te doen verschijnen van eene hem door Waterboer verschafte Kaart, waarop de lijnen der verschillende door Zijne Regering gereklameerde grenscheidingen zijn afgemerkt. Bij vergelijking van deze kaart en de schets, door den Waarnemenden President van den Vrijstaat overgelegd bij zijn schrijven van 12 November, 1863, bovengenoemd, zal ieder zich kunnen informeren, welke landen tusschen de beide Gouvernementen in geschil zijn, en die vergelijking zal tevens doen zien dat de aanspraak, die de Vrijstaat maakt op landerijen, die Waterboer voor de zijne houdt, rust op het al of niet wettige of geldige van den beweerden aankoop, van Adam Kok, van grondgebied, hetwelk eenmaal werd gezegd te zijn geoccupeerd door den toen overleden Cornelius Kok.

Ter Ordonnantie van Z. E. den Luitenant Gouverneur, aan het hoofd der Regering,

R. SOUTHEY,
Koloniale Secretaris.

N B.—De bovenbedoelde kaarten zijn verschenen in de *Gouvernements Courant* van 27 September ll., No. 4,269.

KOPIE.]

Gouvernementshuis, Kaapstad,
15 September, 1870.

Zijn Hoog-Edele den President van den Oranje Vrijstaat.

MIJNHEER,—Uit het nieuwsblad, de *Friend of the Free State* bemerk ik, dat gij, bij Proklamatie, gedateerd te Klipdrift, aan de Vaalrivier, den 29sten Augustus ll., zekere landerijen ten noorden van de Vaalrivier, en gewoonlijk genoemd de Campbell gronden, tot Vrijstaatsch eigendom hebt geproklameerd uit krachte eener verkoopakte, gedateerd 26 December, 1861, geëxecuteerd door den Heer Henry Harvey, voorgevende te zijn de gemagtigde agent van het Opperhoofd Adam Kok, en daar ik met het Opperhoofd Waterpoer in communicatie ben over landerijen, waarop hij aanspraak maakt en over welke hij en zijn volk schijnen te verlangen dat Hare Majesteit de Koningin souvereiniteit zal uitoefenen, zal het mij aangenaam zijn indien gij mij de bewijzen wilt doen geworden, die uwe Regering moge bezitten omtrent den gezegden aankoop van den Heer H. Harvey, en omtrent zijne magtiging tot verkoopen in naam van Adam Kok zoowel als omtrent Adam Koks regt op die landerijen.

2. Uit communicatien, door mij van het Opperhoofd Waterboer ontvangen, blijkt, dat hij niet alleen aanspraak maakt op de Campbell-landerijen aan den regteroever der Vaalrivier, als zijnde Grikwa-grondgebied, maar ook op landerijen aan den linkeroever der gezegde rivier, die zich uitstrekken tot lijnen, getrokken van Ramah aan de Oranjerivier, tot "Davids Graf," nabij den zamenloop der Rietrivier en Modderrivier, en van daar naar Platberg aan de Vaalrivier.

3. Ik zal verpligt zijn binnen kort deze aangelegenheden aan Hare Majesteits Regering ter overweging voor te leggen, en het zal mij aangenaam zijn door u Hoog-Edele te worden vereerd met informatien betrekkelijk het regt, dat de Oranje Vrijstaat moge hebben op de landerijen ten oosten van de Vaalrivier.

4. Het is mij bekend, dat de Oranje Vrijstaat er aanspraak op maakt, maar ik ben niet in het bezit van eenig eigendomsbewijs

5. Ik bemerk dat mijn ambtsvoorganger, wien door uwe Regering en het Opperhoofd Waterboer was verzocht, tusschen hen scheidsregterlijke uitspraak te doen betreffende territoriale regten, aan u op den 24sten Augustus, 1869, de aanbeveling deed, om hem duidelijk en naauwkeurig de verschillende kwestien bekend te maken, waaromtrent geschil bestond, en die te doen vergezellen aan eene schets van het land, met aanwijzing van de voornaamste betwiste punten, aan welke aanbeveling tot nogtoe niet blijkt te zijn voldaan.

6. Onder al deze omstandigheden, neem ik de vrijheid op te merken, dat het in de Regering van den Oranje Vrijstaat ontijdig zou zijn, over te gaan tot het planten van bakens, gelijk zij volgens verklaring in voorgemelde proklamatie voornemens is te doen,—en in afwachting van uw antwoord,

Heb ik, enz.,
C. HAY, Luit.-Generaal; Hooge Commissaris.

Gouvernementshuis, Kaapstad,
19 September, 1870.

Zijn Hoog Edele den President van den Oranje Vrijstaat.

MIJNHEER,—Sedert ik mijne dépêche van den 15den dezer aan u toezend heb ik uit de openbare nieuwsbladen vernomen, dat uwe Regering, na uitvaardiging der proklamatie, waarop ik in die mededeeling doelde, verder stappen genomen en den Heer O. J. Truter aangesteld heeft tot Commissaris voor de Diamantvelden en de Vrederegter voor den geheelen Staat, met inbegrip, zoo ik vermoed, van het grondgebied, waarop Adam Kok aanspraak maakt, en voorts, dat zij jurisdictie heeft aangenomen over een groot aantal Britsche Onderdanen thans binnen dat gebied wonende.

Ik acht het derhalve mijn pligt de aandacht van Uw Hoog Edele te vestigen op zekere feiten betreffende het grondgebied in kwestie, als blijkende uit dokumenten in mijn bezit, en u bekend te maken, dat ik terstond uwe kennisgeving zal uitvaardigen aan alle Britsche onderdanen, om hen te waarschuwen tegen het partij kiezen voor de aanvaarding van territoriale regten over landerijen, behoorende aan Inlandsche Opperhoofden en hun volk, door op eenigerlei wijze zoodanige regten te helpen, bij te staan of te erkennen; en op dat allen het eenstemmig dat de tegenwoordige stand van zaken mij toeschijnt te dragen, verstaan mogen, zal ik deze en mijne vorige depêché en andere dokumenten tot opheldering daarvan publiceren.

't Is u bekend dat lang voordat Sir Harry Smith, met toestemming van de opperhoofden en het daarbij betrokken volk de Souvereiniteit van Hare Majesteit de Koningin proklameerde over zekere territories ten noorden van de Oranjerivier, Hare Majesteit bij traktaat in alliantie was met het Opperhoofd Waterboer, van Grikwastad, en dat het grondgebied van gezegd opperhoofd niet begrepen was in de territories, waarover Hare Majesteits Souvereiniteit geproklameerd werd

BIJLAGE No. 1. Vóór bovenbedoeld tijdvak en in het jaar 1838 gelijk blijkt uit bijgaand extrakt van eene schriftelijke overeenkomst destijds aangegaan tusschen Waterboer en Adam Kok, het Grikwa-volk zich splitste in twee afzonderlijke en onafhankelijke gedeelten; het eene te blijven onder de oppermagt van Andries Waterboer, den voorganger van den tegenwoordigen Kapitein Nikolaas Waterboer, als Opperhoofd, en wonende in Grikwastad, het andere gedeelte onder die van Adam Kok, die te Philippolis wonende. Bij die overeenkomst was bepaald, dat Waterboers oostelijke grenscheiding zou zijn van Ramah noordwaards naar Katberg. En dat gedeelte der grenslijn, 't welk zich uitstrekt van Ramah, aan de Oranjerivier, tot Davids Graf, nabij den zamenloop der Rietrivier en Modderrivier, is sedert in traktaten en andere publieke dokumenten, door Kok en Waterboer en door de Gouverneurs dezer Kolonie erkend te zijn als dat hetwelk de twee gedeelte van het Grikwagebied van elkander scheidt. De voorzetting van Waterboers oostelijke grenslijn, noordwaards van Davids Graf naar Platberg wordt in de laatste van die bijzondere dokumenten niet zoo zeer op den voorgrond gesteld, en dat in al dezelve van Adam Koks grondgebied wordt gesproken als begrensd ten noorden door de lijn van Modderrivier en Adam Kok gevolgelijk met Waterboers oostelijke grenslijn ten noorden van Davids Graf niets te doen had.

Voor zooverre dus schijnen die dokumenten de aanspraak die Waterboer maakt op landerijen ten noorden en westen van lijnen getrokken van Ramah naar Davids Graf en van daar naar Platberg te bevestigen.

Maar uwe Regering beweert, dat zij in het jaar 1861, en gevolgelijk na de datums der bovenbedoelde dokumenten in 't bezit is gekomen van zekere gedeelten van het door Waterboer voor het zijne gehouden grondgebied, en wel uit krachte van verkoop en afstand aan haar gedaan door zekeren Henry Harvey, als Agent van Adam Kok, die, naar gezegd wordt, verkoop, terwijl de Regering van den Vrijstaat aankoop gedaan heeft niet alleen van de landerijen, toen nog verbleven aan Adam Kok, maar ook van de landerijen van Cornelius Kok, een overleden nabestaande van Adam Kok, en die in zijn leven te Campbell woonde.

Ten opzigte van dezen beweerden koop en verkoop deelt Waterboer mede:—

1ste. Dat Cornelius Kok Britsch onderdaan was in deze Kolonie geboren en daarin wonende tot zijn meerderjarigheid, waarna hij in Grikwastad kwam en door Andries Waterboer tot ondergeschikt ambtenaar onder diens Gouvernement aangesteld en te Campbell gestationeerd werd, waar hij bleef wonen en waar hij het gezag uitoefende, hem door Waterboer opgedragen tot dat hij door wangedrag van zijn ambt beroofd werd.

2de. Dat gedurende al dien tijd en later tot aan het overlijden van Cornelius Kok, geen nieuw traktaat of overeenkomst tusschen Waterboer en Adam Kok betreffende grenscheidingen was gemaakt.

3de. Dat Cornelius Kok geene territoriale regten bezat en Adam Kok geen magt had tot verkoopen en dat deze laatste ook bij zijne volmagt Harvey niet had gemagtigd had tot het verkoopen van eenigerlei gedeelte der Campbell-gronden, waarover Cornelius Koks ondergeschikte jurisdictie eens was uitgestrekt en dat zijne gezegde volmagt aan Harvey strikteljk beperkt was tot landerijen, aan hem behoorende in zijne hoedanigheid van Opperhoofd der Grikwas van de stad en het Distrikt Philippolis, waartoe de Campbell landerijen nimmer behoord hebben, en dat zij geene betrekking heeft op eenigerlei landerijen, waarop hij aanspraak maakt als erfgenaam van Cornelius Kok wat Waterboer inderdaad beweert dat hij niet was.

Om deze voorstellingen te schragen verwijst Waterboer naar de overeenkomst van 1838 en andere dokumenten, waaronder de volgende, namelijk:—

BIJLAGE No. 2. (a) Een brief van Adam Kok en zijne Raadslieden aan Gouverneur Sir George Napier, gedateerd 12 November, 1843, waarin gerefereerd wordt naar gezegd traktaat met

Waterboer, als bepalende de grensscheidingen tusschen hen laatstgenoemde en den schrijver.

BIJLAGE No. 3. (b.) Een cirkulaire gerigt door den voormaligen Secretaris dezer Kolonie, den Heer Montagu, aan A. Waterboer, Adam Kok en Moshesh, gedateerd 18 April, 1845, en waarin antwoord wordt verzocht op verschillende vragen betreffende, onder andere zaken, de lijnen en konditien hunner respektive grensscheidingen, in hoeverre deselve by Traktaten zijn bepaald, en welke stammen hunne buren waren; met de antwoorden daarop van Adam Kok en A. Waterboer, die elkander wederkerig beschouwen als hunne naaste naburen, en erkennen dat de lijn tusschen hen was vastgesteld bij Traktaat.

BIJLAGE Nos. 4 en 5.

BIJLAGE No. 6 (c.) Een geschrift, in 1848 door Adam Kok aan Waterboer gerigt, en berigtende dat, daar velen van zijn volk uit het Distrikt Philippolis vertrokken naar Campbell, zij gevolgelijk buiten zijne jurisdictie en binnen die van Waterboer worden zijn.

BIJLAGE No. 7. (d.) De volmagt door Adam Kok aan Harvey verleend, krachtens welke de verkoop aan den Vrijstaat is geschied.

BIJLAGE No. 8. (e.) Eene kennisgeving, gepubliceerd door Adam Kok gedateerd 15 November, 1862, waarin hij ontkend magtiging te hebben verleend tot het verkoopen van eenigerlei regten op land ten noorden van de Vaalrivier.

BIJLAGE No. 9. (f.) Een brief door den President van den Vrijstaat aan Waterboer gerigt, gedateerd 28 April, 1862, na den datum van den beweerden verkoop en waarin de schrijver Waterboers regt van jurisdictie erkent over den linkeroever van de Vaalrivier en hem uitnoodigt tot eene bijeenkomst te Jacobsdal, eene plaats nabij Davids Graf, welke laatste plek door Waterboer altijd is beschouwd als eene der aanduidingspunten van zijne grensscheiding.

Deze dokumenten schijnen mij waarlijk toe, een sterk *prima facie* regt ten voordeele van Waterboers souvereiniteit aan te toonen over het grondgebied dat uwe Proklamatie reklameert als toebehoorende aan den Vrijstaat. En daar gij, ofschoon door mijn voorganger uitgenoodigd, om hem een plan te verschaffen, waarin de door uw Gouvernement gereklameerde grensscheidingen omschreven zijn, met zoodanige bewijzen daarvoor als gij mogt bezitten, hebt geweigerd of althans nagelaten een zoodanig bewijs te leveren, gevoel ik mij verpligt, provisioneel mijne opinie te vormen op de voor mij liggende getuigenis.

Dit zoo zijnde, en Waterboer steeds gehandeld hebbende op trouwe en vriendschappelijke wijze jegens Harer Majesteits Regering, meen ik, dat ik niet billijk jegens hem handelen zou, met zonder vertoog of tegenstand toe te laten, wat ik thans en in de afwezigheid van eenigerlei bewijs ter kontrarie moet beschouwen als een niet te regtvaardigen inbreuk op zijne onafhankelijke regten. En ik maak u derhalve bekend, dat ik de aanspraak van souvereiniteit, in uwe Proklamatie voorgedragt binnen het grondgebied in geschil tusschen u en Waterboer, over eenigerlei onderdanen van Hare Majesteit, daarin verblijf houdende, niet erken.

Aan den zamenloop van volk op de diamantgronden heb ik evenwel naauwkeurige aandacht gewijd, en ten einde het plegen van misdaden of wanbedrijven door zich daarin bevindende onderdanen van Hare Majesteit te voorkomen, heb ik maatregelen genomen voor het uitreiken van magistraats aanstellingen, waarbij over zoodanige onderdanen jurisdictie wordt gegeven volgens Akte van het Rijksparlement, 26 en 27 Victoria, Kap. XXXV.

Ik heb, enz.,
C. HAY, Luit.-Generaal,
Hooge Commissaris.

Art. 5. De grensscheiding van het oostelijke gedeelte, bestuurd door A. Waterboer, te Grikwastad, zal zich uitstrekken van Ramah, aan deszelfs oostkant, langs de grensscheidingen der Kolonie, in een westelijken loop naar Kheis, en noordwaarts naar Platberg.

Wij erkennen, dat het zedelijk en godsdienstig onderrigt, dat wij van de zendelingen ontvangen, het eenige middel is, waardoor de welvaart en beschaving eens volks kan worden bevordard, en wij hopen dat het belang, door Uwe Regering en het volk van Groot Brittannie in ons gesteld, niet te vergeefs moge zijn geweest.

In naam der Grikwas van Philippolis,
KAPITEIN ADAM KOK,

S. PRETORIUS,
LUCAS HANS,
GERT KOK,
KLAAS HENDRIKZE.

P.S. Ik heb de eer, verder te verzoeken, dat daar de grenzen van de Wijk Philippolis niet omschreven zijn in het Traktaat, Uwe Excellentie zoo goed wilt zijn, het volgende berigt tegelijk met het Traktaat te laten publiceren:

"BERIGT.

"Hierbij geschiedt kennisgeving aan alle belanghebbenden, dat de grenslijnen der Wijk Philippolis de volgende zijn: Ten noorden de Modderrivier, ten oosten de landerijen van Moroko, en ten westen Ramah; welke is de grensscheiding tusschen het gebied van Philippolis en Kapitein Waterboer.

"ADAM KOK."

Deze zijn de oude grenslijn van Philippolis en erkend in een Traktaat met Waterboer, kopie waarvan, des benoodigd, aan Uwe Excellentie zal worden toegezonden.

ANDRIES WATERBOER, en
MOSHESH.

MIJNHEER,—Op last van Zijne Excellentie den Gouverneur verzoek ik u zoo goed te zijn, mij antwoord te doen toekomen op de volgende vragen, ter informatie van de Commissie, aangesteld om te onderzoeken naar den staat van zaken, thans bestaande tusschen de geëmigreerde Boeren en de Inlandsche stammen over de grenzen.

1. Welke zijn de grenscheidingen van het grondgebied waarover gij regeert? Welke niet aan u onderworpen of van u afhankelijke stammen occupeeren de onmiddelijk belende landerijen? Zijn er formele overeenkomsten gemaakt tusschen u en de Opperhoofden der bedoelde stammen ten opzigte der limiten van hun respektive grondgebied? Zijn er in uwe onmiddelijke nabijheid ook landstreken, die gij occupeert te zamen met die stammen of streken, die geheel onbezet of tijdelijk in 't bezit zijn door de overblijfselen van verbroken stammen, die geen erkend Opperhoofd hebben?

Ik heb, enz,
JOHN MONTAGU.

[BIJLAGE No. 4.]

Antwoord op vragen, gerigt aan het Opperhoofd Adam Kok, in een brief van den Kolonialen Secretaris, gedateerd 18 April, 1845:

1. Het door mijn volk gereklameerde grondgebied is beland ten oosten en zuidwesten aan de Oranjerivier, ten noorden en noordoosten aan de Modderrivier, ten oosten aan het land van Lepiri, en ten westen aan dat van Waterboer.

De stammen in mijne nabuurschap zijn die van Waterboer, Moroko, Moshesh, en Lepin, die allen onafhankelijk van mij zijn.

Met geen der naburige hoofden, behalve Waterboer, zijn schriftelijke overeenkomsten, betreffende de grenslijnen aangegaan; maar ik heb met geene der bovengenoemde hoofden geschil omtrent grondgebied.

Ik weet van geene ongereklameerde of niet geoccupeerde landerijen in mijne nabuurschap, en er is geenerlei landstreek, die ik gezamenlijk met een naburig opperhoofd occupeer, enz., enz., enz., tot 6.

[BIJLAGE No. 5.]

Grikwastad, 29 Julij, 1845.

Aan Zijn Edele den Secretaris van de Kaap.

MIJNHEER,—Ik heb de eer de ontvangst te erkennen van uwen brief van 18 April, en zou u reeds voor dezen een antwoord hebben gegeven, ware ik niet verhinderd door afwezigheid van huis. Nu echter huiswaarts gekeerd zijnde, neem ik de eerste gelegenheid waar om u te schrijven en uwe vragen te beantwoorden.

1. De grenscheidingen van het grondgebied, waarover ik het bestuur heb, zijn de volgende: ten oosten tusschen het grondgebied van het Opperhoofd van Philippolis en dat van mijzelven, is Ramah, omtrent 90 mijlen afstands van Grikwastad; ten noorden loopt de lijn tusschen Danielskuil en Koning, omtrent 70 mijlen ten westen van Grikwastad; Kheis is de grenscheiding omtrent 100 mijlen van Grikwastad, en ten zuiden loopt mijne lijn als de noordelijke grenscheiding van de Kolonie, als overeengekomen in het traktaat tusschen het Gouvernement en mijzelven in het jaar 1834. Ten

2. Mijne onderdanen zijn van verschillende stammen, de voornaamste zijn Grikwas, Korannas, Boschmans en vlugtelingen van de Bechuanas, hoofdzakelijk van de Batlaroo en Basuto stammen. Er zijn over de verschillende stammen opperhoofden, die het op- en toezigt over hen hebben van mij, de namen zijn—over de Korannas Witbooy en Klaas; over de Boschmans, Tebe; over de Batlaroos, Samechoe; en over de Basutos, Katlane. Al die stammen zijn aan mij onderworpen, maar wanneer aan iemand hunner verlof wordt gegeven om naar zijn eigen land terug te keeren, dan is hij ontslagen onderdanigheid aan mij. Het aantal volks in mijn wijk zal 4,000 zijn, waaronder—

Batlaroos	800
Basutos	500
Andere Bechuanas	150
	1,450

De resterende 2,500 zijn van Hottentotsche stam maar het aantal van iederen stam afzonderlijk kan niet precies worden opgegeven.

3. Mijne onderdanen zijn gedeeltelijk een herdersvolk, daartoe genoodzaakt zijnde door de omstandigheden des lands, want er zijn in de wijk heel weinig fonteinen, die dienstbaar kunnen gemaakt worden voor den landbouw; maar alle landen die men sproeijen kan worden bezaaid. De granen die het meest gezaaid worden, zijn tarwe, garst, maïs, en Kafferkorren. De hoeveelheid tarwe die in voorspoedige jaren geoogst wordt is 700 mud buiten andere granen. Mijn volk plant ook aardappelen, boonen, erwten en andere soorten van groenten. In vroegere jaren waren er vele vruchtboomen in de wijk, maar ten gevolge eener hevige droogte, die zeven jaren aanhield, is het grootste gedeelte daarvan vernield; en sedert onze fonteinen zich weder hersteld hebben (in het jaar 1849) heeft mijn volk zich beijverd nieuwe boomen te planten, en nu zijn er te dezer plaatse vijgen, persieken, kweeperen en granaatappelboomen, als ook wijnstokken. In de laatste twee jaren zijn zoowat duizend vruchtboomen geplant in Grikwastad alleen.

De landerijen, waarop gebouwen staan, zijn bij onze wetten erkend als het eigendom der occupanten, maar deze kunnen deselve niet aan vreemdelingen verkoopen buiten mijne toestemming en die van mijn Raad, ook kan ik, als hoofd, geenerlei land aan anderen afstaan zonder konsent van mijn volk, bekend gemaakt in eene algemeene vergadering.

Mijn volk is gedeeltelijk verspreid in enkele huisgezinnen, maar waar de fonteinen sterk genoeg zijn, vereenigen zij zich in kleine buurtschappen, de voornaamste waarvan zijn;

	Inwoners.
Grikwastad, mijn verblijfplaats	700
Danielskuil, afstand 51 mijlen van Grikwastad	150
Garsips, afstand 30 mijlen van Grikwastad	300
Blinkkop, afstand 46 mijlen van Grikwastad	450
Dieperivier, afstand 35 mijlen van Grikwastad	300
Keis, afstand 100 mijlen van Grikwastad ...	500
Zanddrift, afstand 30 mijlen van Grikwastad	300
Gangenaup, afstand 40 mijlen van Grikwastad	300
Witzenberg, afstand 30 mijlen van Grikwastad	100

Maar in drooge seizoenen zijn sommigen die in deze gehuchten wonen, gedwongen te verhuizen om weide voor hunne kudden.

Wat betreft de vijfde en de zesde vraag, heb ik te antwoorden dat er geene imigrant-boeren in mijn gebied zijn, dat ik geene overeenkomst met hen heb gemaakt en dat er geene gemeenschap tusschen hen en mijne onderdanen heeft plaats gehad.

Ik heb enz.,
A. WATERBOER, Kapitein.

Aangezien velen der inwoners van het Distrikt Philippolis, om verschillende redenen en bij verschillende gelegenheden, teruggetrokken zijn en zich gevestigd hebben in onderscheidene gedeelten van Campbell en Grikwastad, en gevolgelijk buiten de jurisdictie van het Kantoor van Philippolis, zoo wordt hierbij aan den Kapitein Andries Waterboer volledig regt en autorisatie verleend om, wanneer eenigerlei Grikwa onderdaan van Philippolis mogt schuldig zijn aan eenigerlei wanbedrijf, binnen de jurisdictie van Grikwastad, den overtreder te vervolgen en te straffen, waar hij zich ook moge bevinden. overeenkomstig de bestaande wetten des lands.

KOPIE.—No. 143.]

Gouvernementshuis, Bloemfontein,
12 November, 1863.

Zijne Excellentie Sir PHILIP WODEHOUSE, R.K.B.

MIJNHEER,—Met weerzien ben ik genoodzaakt, Uwe Excellentie andermaal lastig te vallen over onze grensaangelegenheden, niet zoozeer om Uwer Excellenties sympathie en medewerking te erlangen in het verdedigen onzer regten tegenover onzen listigen nabuur, als wel om Uwer Excellenties tusschenkomst te verzoeken, om een Britsch onderdaan, door eigenbatige en trouwelooze beweegredenen aangedreven, te verhinderen zijn invloed aan te wenden tot bevordering der onregtvaardige bedoelingen en daden van het Grikwa Opperhoofd, Nicolaas Waterboer.

Het is Uwer Excellentie waarschijnlijk bekend, dat op den 26sten December, 1861, Kapitein Adam Kok, Opperhoofd der Grikwas van Philippolis, door middel van zijn Agent Henry Harvey, aan dit Gouvernement heeft verkocht al zijn aanspraak en regt op den grond, behoorende tot zijn gebied en insgelijks tot dat van zijn broeder, Cornelius Kok, en waarvan hij, de gezegde Adam Kok, de erkende erfgenaam volgens de Wet was, het latere gebied insluitende Boutjop en Campbell, voor de Vaalrivier en een zeker gedeelte aan deze zijde diens strooms, bewoond door boeren, die hunne grondbrieven bekomen hebben van het Britsche Gouvernement.

Uit de ingesloten kopie eener Advertentie verschijnende in de *Colesberg Advertiser*, zal uwe Excellentie bemerken dat het Opperhoofd Waterboer openlijk zijne oppermagt heeft gedeklareerd over het geheele gebied voormaals toebehoorende aan Cornelis Kok, en zulks in regtstreeksche schending van het kontrakt van koop en verkoop bestaande tusschen ons Gouvernement en den gezegden Adam Kok, wiens aanspraak op de gezegde gronden behoorlijk was erkend en bekrachtigd door het Britsche Gouvernement, bij traktaat, aangegaan tusschen Zijne Excellentie Sir Perigrine Maitland en den gezegden Adam Kok, op den 5den Februarij, 1846.

Ik aarzel niet te zeggen, dat hij (het Opperhoofd) tot die daad van aanranding is aangespoord door zekeren mijnheer David Arnot, van Colesberg, deselfde individu dien hij aankondigt als zijn Secretaris, Agent, en Vertegenwoordiger, en ik neem de vrijheid te verzoeken, dat het Uwe Excellentie moge behagen, de noodige stappen te nemen om den gezegden Arnots onoorbare bemoeijing te verhinderen in eene zaak, die bij volhouden leiden moet tot vijandelijkheden tusschen het Grikwavolk en deze Regering.

Ter verdere informatie van Uwe Excellentie, veroorloof ik mij vertaling in te sluiten van eene Proklamatie, dien ik dienstig heb geacht te laten plaatsen in de *Gouvernements Courant* van dezen Staat en insgelijks eene uitgave van de bedoelde gronden.

I heb, enz.,
J. J. VENTER, Waarnemende President.

KOPIE.]

PROKLAMATIE.

Aangezien onlangs in de *Colesberg Advertiser* een berigt is verschenen, gedateerd 1 September, 1863, en geteekend Nicolaas Waterboer, Oppermagtighoofd van het Grikwa grondgebied, waarin dat Opperhoofd zekere gedeelten reklameert van den grond, door dit Gouvernement op den 26sten December, 1861, gekocht van Kapitein Adam Kok, en vroeger toebehoorende aan nu wijlen Cornelis Kok: Zoo is het dat ik, refererende naar eene Gouvernements Kennisgeving, No. 59, gedateerd 25 Junij, 1862, en verschenen in de *Gouvernements Courant* van den 2den Julij daaraanvolgende, en naar eene Proklamatie, uitgevaardigd door den toenmaligen President van den Oranje Vrijstaat, M. W. Pretorius, gedateerd 24 September, 1862, en verschenen in de *Gouvernements Courant* van den 8sten October daaraan volgende, proklameer en bekend maak, dat het regt en de aanspraak van het Vrijstaatsche Gouvernement op den bovengemelden grond onveranderd blijft, en ik waarschuw nogmaals elk en een iegelijk, geenerlei gedeelte of gedeelten van gezegden grond in bezit te nemen te ruilen of te koopen.

Gegeven onder mijne handteekening en mijn zegel, te Bloemfontein, heden, den 11den dag van November, 1863.

De Waarnemende President, Oranje Vrijstaat,
J. J. VENTER.

Op last,
J. C. N. MARAIS, Gouvernements Secretaris.

Gouvernementshuis, Kaapstad,
19 September, 1870.

Zijn Hoog Edele, den President van de Zuid Afrikaansche Republiek.

MIJNHEER,—In de openbare nieuwsbladen zie ik medegedeeld, dat tusschen u en den President van den Oranje Vrijstaat zekere onderhandelingen hebben plaats gevonden over de regten op land tusschen de Vaal- en de Harerivier, en dat er beweerd wordt, dat de President van den Vrijstaat erkent, dat al het land tusschen die twee rivieren aan uw Gouvernement behoort.

Verder wordt in de nieuwsbladen gezegd, dat het regt van uwe Regering op het land in kwestie ontleend is aan een eerst onlangs ontdekt dokument verbeeldende te zijn een akte van afstand door zekere inlanders gemaakt ten faveure van nu wijlen uwen vader, den Heer A. W. J. Pretorius.

Onder deze omstandigheden is het gepast u te informeren, dat een gedeelte der landerijen in kwestie tusschen de vorengenoemde rivieren wordt gereklameerd door het Opperhoofd Waterboer, die thans en gedurende vele jaren in traktaat-alliantie is met Harer Majesteits Regering en dat hij zich op mij beroept en kennis gegeven heeft, voornemens te zijn om bij Hare Majesteit de Koningin te petitioneren om bescherming tegen territoriale aanranding; en dat andere gedeelten worden gereklameerd door inboorlingen met welke dit Gouvernement op vriendschappelijken voet verkeert, en sommige waarvan zich eveneens op mij beroepen hebben om tusschenkomst ten hunnen behoeve.

Mijn voorganger, Sir P. E. Wodehouse, heeft u Hoog Edele op 20 Junij en 9 October, 1868, geschreven over eene Proklamatie, toen onlangs door u uitgevaardigd, waarbij territoriale regten werden aanvaard over een groote uitgestrektheid van dit vasteland, en over het grondgebied van vele te voren onafhankelijke inlandsche stammen met welke het Gouvernement dezer Kolonie op vriendschappelijken voet verkeert en met welke uw volk een uitgebreiden handel drijft, voordeelig beide voor hen en voor ons.

U werd toen geinformeerd,—en ik moet thans die informatie herhalen—dat noch Harer Majesteits Regering noch de Regering dezer Kolonie gereed was de door u vooropgezette aanspraak te erkennen, en dat in onze toekomstige gemeenschap met het binnenland de uitgestrekte grenscheidingen, door u geproklameerd, niet zouden worden ontzien.

Met oogmerk, derhalve, om de tot hiertoe tusschen deze Kolonie en de Zuid Afrikaansche Republiek bestaande vriendschappelijke betrekkingen te doen voortduren, wensch ik bij u in zeker krachtige bewoordingen de noodzakelijkheid te betoogen om u te onthouden van zonder wettige of voldoende oorzaak te overschrijden op de bezittingen van Inlandsche Stammen in vriendschappelijke alliantie met Harer Majesteits Gouvernement staande, en de hoop uit te drukken, dat de bovengemelde berigten niet met juistheid de handelingen voorstellen tusschen u en den President van den Oranje Vrijstaat.

Ik heb, enz.,
C. C. HAY, Luit.-Generaal,
Hooge Commissaris.

Kopie eener Kennisgeving, geplaatst in de "Colesberg Advertiser and Northern Frontier Gazette," Deel 2, Dingsdag, 23 December, 1862, No. 104.

KENNISGEVING.

Mijne attentie bepaald geworden zijnde op eene Proklamatie van Zijn Hoog Edele den President van den Oranje Vrijstaat, gedateerd Bloemfontein, den 24sten September, 1862, waarin wordt verklaard, dat ik, als erfgenaam van wijlen Cornelis Kok, aan het Gouvernement van den Oranje Vrijstaat, door middel van den Heer Henry Harvey, had verkocht al de regten, enz., van den gezegden Cornelis Kok, zeowel op de zuid als op de noordzijde van de Vaalrivier, wensch ik duidelijk bekend te maken, dat die door den Heer Harvey aan den Oranje Vrijstaat voor mijne rekening te verkoopen regten waren beperkt tot den zuidelijken oever van de Vaalrivier en in geenerlei wijze betrekking hadden op grondgebied ten noorden van de Vaalrivier.

ADAM KOK, Kapitein.

Geteekend, als Attest Wezen,
14 November, 1863.

Ik certificeer, dat het bovenstaande eene getrouwe kopie is van de kennisgeving als verschenen in bovengenoemd blad namens en voor rekening van het Opperhoofd Adam Kok, thans wonende in Niemandsland.

WAARDE KAPITEIN,—Namens Zijn Hoog-Edele, den Staatspresident den Uwen van gisteren te erkennen waaruit Zijn Hoog-Edele verneemt, dat gij niet in staat zult zijn, u te bevinden op de werf van Barend Bloem voor morgen (Donderdag) ten 10 ure. Het doet Zijn Hoog-Edele leed dat er verder uitstel moet zijn, daar onze tijd zeer kostbaar is. Zijne Hoog Edele zal evenwel ter gezegder tijd en plaatse tegenwoordig zijn en hoopt dat gij aldaar punctueel wezen zult.

Fauresmith, 28 April, 1869.

Aan Kapitein NICOLAAS WATERBOER,
te Grikwastad.

KAPITEIN,—Ik heb het genoegen door de welwillendheid van den Heer W. Crossley, voormalig Secretaris van Adam Kok, uw eenige regelen te zenden hoofdzakelijk betrekkelijk klagten van burgers dezes Staats wegens aan 't licht gekomen diefstallen, gepleegd door lieden, verblijf houdende op uw grondgebied.

De Landdrost van Fauresmith heeft bevelschriften uitgevaardigd tegen de meest schuldigen, en ik twijfel niet, of gij zult al het mogelijke doen om de schuldigen uit te leveren aan het Gouvernement, om te worden ondervraagd, en in geval van schuldig bevinding, door onze authoriteiten te worden gestraft.

Ik zal niet behoeven op te merken, dat ik op mijn grondgebied geenen diefstal onopgemerkt kan laten bedrijven.

Ik maak derhalve volledig staat op uwe medewerking in het overzenden van de personen in de bevelschriften genoemd, vermits ik hoogst ongaarne zou overgaan tot maatregelen, die tot onaangename gevolgen zouden mogen leiden.

Ik kan duideliik merken dat het u moeijelijk valt uwe regtsbevoegdheid aan de zijde van de Vaalrivier uit te oefenen gelijk gij verlangt. Het zou mij daarom hoogst aangenaam zijn, eene zamenkomst met u te hebben ten einde te beraadslagen over het wenschelijke om daarin voorziening te maken ten genoegen van uwe en mijne Regering.

Ik ben nu bereid u te ontmoeten ter plaatse die u het best zal voegen, en het zou mij bijzonder aangenaam zijn, indien gij iets bepaalds omtrent de zaak wilt schrijven. De Heer Crossley zou mij dien brief zoo spoedig mogelijk doen toekomen.

Mogt gij er niet tegen hebben, laat ons dan elkander ontmoeten te Jacobsdal, en bepaal gij zelf den datum die u het best zal voegen.

Ik heb de eer te zijn,
Kapitein,
Uw Vriend en Dienaar,
DeStaatspresident van den Oranje Vrijstaat.

THIRTY-SECOND ANNUAL REPORT

OF THE

Directors of the "Protecteur" Fire Assurance Company to the Shareholders in the said Company at the General Annual Meeting held on Wednesday, the 5th October, 1870.

BEFORE reporting on the transactions of this Company for the past year, your Directors wish to bring to the notice of Shareholders, that although the Losses sustained by Fire have been rather severe, amounting to about £3,000 more than in the previous year, the Revenues were in excess of those of that year. In 1869 the Revenues amounted to £10,720, and in 1870 to £10,925, while the Liabilities on Lives have in the last ten years been diminished by £17,600, amounting in 1860 to £41,650, and in 1870 to £24,050.

And in order to show that the Life Branch has not injuriously affected the interests of this Company, it need only be stated that since 1841, up to this date, the sum of £15,575 has been received in Life Premiums, out of which, during that long period, the sum of only £15,575 has been paid for Life Policies, leaving a balance of £12,000 in favour of the Life Branch.

In the past year 200 new Fire Policies have been granted, which, added to those previously granted and still running, give a total of 4,819 Policies, being 4,764 Fire Policies and 55 Life Policies, yielding—

In Fire Premiums	£8,165	19	5
In Life Premiums	812	3	0
Total	£8,978	2	5

And these Policies render the Company liable for the sum of £2,542,900, being for Fire Assurances, £2,518,850, and £24,050 for Life Assurances.

The Losses incurred on Fire Assurances in the past year amount to £6,679 4s. 4d., and on Life Assurances £769 7s. 1d., being, viz.: £500 for the full amount of one Life Policy, and £269 7s. 1d. for the purchase of two others, which amounted to £1,000.

The gross amount of Receipts in the past year, in Premiums, Interest, House Rent, &c., amounts to £10,925 10s. 4d., from which are to be deducted the Losses, Salaries, Commission, Fees to Agents, Ordinary and Extraordinary Expenses, amounting to £8,381 8s. 6d., leaving a Balance of £2,544 1s. 10d., out of which sum the Directors recommend that the usual rate of 6 per Cent. be allowed to Shareholders on their paid-up Capital, being £900

10 per Cent. Bonus to the Assured	800
Dividend to the Shareholders	800
To the Directors	250
	£2,450

leaving a Balance of £94 1s. 10d. to be carried to the account of Profit and Loss.

According to the proposed distribution, the Dividend on each Share will be 14 Shillings, receivable on the 1st November next.

Pursuant to the notice in the Newspapers, agreeably to Section 24 of the Fundamental Rules, Three Directors have now to be elected in the room of those who retire, but who are, in accordance with Section 21 of the Trust Deed, re-eligible, and one in the room of Mr. J. A. TAURIN, resigned.

The retiring Directors are—

G. VAN H. BARRY, Esq.,
I. P. H. VAN DER POEL, Esq.,

And the retiring Auditors are—

VAN

Directeuren der "Protecteur" Brand Assurantie Maatschappij aan Deelhebbers in opgemelde Maatschappij, bij gelegenheid van de Algemeene Vergadering, gehouden op WOENSDAG, den 5den October, 1870.

VOOR dat Directeuren hun Verslag geven van de Besigheden dezer Maatschappij, gedurende het afgeloopen Jaar, wenschen zij ter kennis van Deelhebbers te brengen, dat hoewel de Verliezen door Brand veroorzaakt zeer zwaar waren, zijnde in dit jaar circa £3,000 meer dan in het vorige, de Inkomsten echter niet minder maar meer geweest zijn, bedragende die in 1869 £10,720, en in 1870 £10,925. Daarenboven is de verantwoordelijkheid op Levens in de laatste tien jaren verminderd met eene Som van £17,600, beloopende zulks in 1860 £41,650, en in 1870 £24,050.

En om aan te toonen dat de Levenstak de Inkomsten van den Brandtak niet benadeeld heeft, dient dat sedert 1841 tot op heden aan Levenspremien ontvangen zijn de Som van £25,575, en in al dien tijd aan Levenspolissen uitbetaald £13,575, latende nog een Saldo over van £12.000.

In het afgeloopen jaar zijn er 200 nieuwe Brandpolissen verleend geworden, welke met de vroeger verleende en thans nog loopende Polissen een getal uitmaken van 4,519, zijnde 4,464 Brandpolissen en 55 Levenspolissen, welk hebben opgebragt aan Brandpremien £8.165 19s. 6d., en aan Levenspremien £812 3s., tezamen £8,978 2s. 5d., en welk getal Polissen een verantwoordelijkheid uitmaken van £2,542,900, zijnde £2,518,850 op Brand, en £24,050 op Levensassurantien.

JUDGMENT.—22ND AUGUST, 1870.

I am of opinion that the evidence prove master of the *Martlett* received warning of the he would run, before he made the attempt to en river. That he was further aware that the *Flower Arun* had grounded in the river, drawing not less, water than his ship, at a period of the tide and with the assistance tug, and in charge of an experienced pilot Port Captain. I am also of opinion that circumstances it would have been a act to attempt to enter the river, a bar one assistance or advice of a pilot. There appear somewhat conflicting evidence as to the time of the tide when the master made the entrance river, but I have no hesitation in concluding was ebbing fast, so that even in this respect the of the *Martlett* exhibited a want of judgme the other hand, I am not unmindful that the the master held, supported as it is by the mony of the master of the *Flower of Arun* his vessel (the *Martlett*) could not be consider worthy (which however, he never reported to t and the confidence, though mistaken, that he successfully enter the river under sail (an shared by several witnesses) present mitigating to the otherwise reckless character of this act.

The pilot appears also to have sanctioned ference that the master of the *Martlett* would a mit an unusual proceeding by attempting to the river as he did.

The man in charge of the tug in passing the when on her way in, should have point danger and offered assistance, whereas there proof the master heard the warning of Cells, a may have underrated the risk.

In reviewing the evidence I cannot but refl unfavourably on the conduct of Jonson and express surprise at the silence of Rentoul had the opportunity and should clearly have placed before the master of the *Martlett* sequence (of which none of them had an step he was about to take.

As regards the unseaworthiness of the ship from the shifting of the cargo in discharging, the master could have remedied it promptly with the assistance of the gang of men at his command, and when he left in the lighter, had he made any application point out to Rentoul the necessity for such a step

Under all the circumstances, I find that the loss the *Martlett* has been caused by the master's wrong act, and give judgment that his certificate, as be suspended for a period of four (4) months, from date, subject to the approval of His Excellency Lieut.-Governor administering the Government.

GOVERNMENT NOTICE.—No. 420, 1870.

Colonial Office, Cape of Good Hope,
17th October, 1870.

WITH reference to Government Notice No. 379, of the 17th ultimo, His Excellency the Lieutenant-Governor administering the Government and Her Majesty's High Commissioner directs the following further correspondence between the President of the Orange Free State and himself to be published for general information.

By command of His Excellency the Lieutenant-Governor administering the Government,

R. SOUTHEY,
Colonial Secretary.

No. 1.—President Brand to Lieut.-General Hay.

Bloemfontein, 24th September, 1870.

His Excellency Lieut.-General C. Hay, Lieut.-Governor administering the Government of the Cape of Good Hope, and High Commissioner.

Sir,—I have now the honour to reply to your Excellency's letter of the 15th instant.

With respect to Captain Waterboer's claim to land situate on the south side of the Vaal River, our Government maintains that the boundary line between the Orange Free State and Captain Waterboer is that fixed by Adam Kok on the 10th October, 1855, including the farms for which land certificates were granted by the British Government before the abandonment of the Orange River Sovereignty on the 23rd February, 1854. The description of this line, known as the Vetberg line, is given in a letter from Captain Adam Kok to President Boshoff, dated 25th October, 1855, and published in the *Friend of the Free State and Bloemfontein Gazette* of the 10th November, 1855. Copy (Annexure No. 1), and translation of which I have the honour to enclose.

The land certificate farms which lie over this line are the following:

1. Driekopspan or Swinkspan, granted on the 16th March, 1849, by the then British Resident, Major Warden, to Wm. D. Jacobs, and sold and transferred by him on the 12th December, 1855, to A. F. du Toit, who again sold and transferred it on the 13th October, 1856, to F. Liebenberg, the present owner.

2. Waterbak, or Zoetfontein, granted by Major Warden on the 16th March, 1849, to Salomon Vermaak, who sold and transferred it on the 11th August, 1856, to A. F. du Toit, who again sold and transferred it on the 13th October, 1856, to J. A. van der Merwe, who again sold and transferred it on the 16th September, 1870, to L. J. Fourie, the present owner.

3. Scholtzfontein, granted by Major Warden on the 1st March, 1852, to Z. B. L. Zwanepoel, who sold and transferred it on the 2nd April, 1852, to J. S. van Heerden, who sold and transferred part of it on the 2nd April, 1852, to G. J. A. van der Linde.

On the 20th June, 1867, the Volksraad declared, with reference to the grounds situate on the south side of the Vaal River, that all lands to which land certificates had been issued by the British Government belong to the Free State Government, and further that they recognized no other line than the so-called Vetberg line. On the 1st May, 1869, a commission, consisting of Messrs. C. J. Hutton, Member of the Volksraad, F. McCabe, landdrost of Bloemfontein, and D. van Niekerk, the Commandant and President of the Land Commission for the district of Jacobsdal, placed the beacons along that line.

The lands belonging to Captain Adam Kok, as well as those of the late Captain Cornelis Kok, on both sides of the Vaal River, were purchased by the Government of the Orange Free State, on the 26th December, 1861, for the sum of £4,000, from Mr Henry Harvey, as the duly authorized agent of Captain Adam Kok, who was the heir and successor of Captain Cornelis Kok.

Of this purchase notice was given in our *Government Gazette* of the 2nd July, 1862, by proclamation of the then President, Mr. Pretorius, dated 24th September, 1862. All parties were warned not to take possession of or purchase any grounds situate on either side of the Vaal River, and purchased from Mr. H Harvey, as the duly authorized agent of Captain Adam Kok, as above stated. The report of the commission appointed to inquire into our right to and the extent of the Campbell Land leaves no doubt as to the validity of the claim of the Orange Free State to that ground.

On the 11th November, 1863, the Acting President, Mr. Venter, again proclaimed the right of the Orange Free State to the lands purchased as above stated. When the subject of the Campbell Lands came under discussion in the Volksraad, on the 11th February, 1864, the following motion of Mr. Venter, seconded by Mr. Holtzhuizen, was carried: "The Raad, having heard the offer of His Excellency the Governor of the Cape Colony to arbitrate the question existing between this State and the Chief Waterboer, with reference to the grounds which belonged to the late Cornelis Kok, is of opinion that although little or no doubt exists that the alleged claim of Captain Waterboer is wholly untenable, the State President be requested thankfully to accept the offer, in order to give the said Chief every opportunity to prove his alleged right." On the 12th February, 1864, I requested His Excellency to undertake the arbitration. A deed of submission, referring the question of the Campbell Lands, or the land situate on the north of the Vaal River, to the arbitration of His Excellency Sir P. E. Wodehouse, was kindly drawn up by the then Attorney-General of the Cape Colony, Mr. Porter, and was signed by me on behalf of the Government of the Orange Free State. Captain Waterboer, however, insisted that the arbitration should be extended to the lands situate on the south side of the Vaal River. To this our Govenment would not consent, and consequently the deed of submission was never executed.

On the 20th June, 1867, the Volksraad resolved, on the motion of Mr. Serfontyn, seconded by Mr. Nauhaus: "Whereas it has appeared to the Raad, from oral and written declarations, ~~that no doubt exists~~ that the Campbell Lands belong to the Free State Government by virtue of a deed of sale from Mr. Harvey as the agent of Captain Adam Kok, the Raad resolves to instruct the State President to urge upon Captain Waterboer, if he desires to do so, to call in the arbitration of His Excellency without delay, at most three or four months after he shall have received notice of this resolution."

The Raad further resolves, in case Captain Waterboer does not accept the arbitration of the Governor, to empower the State President to proclaim the beforementioned grounds, and to appoint Land Commissions to cause the ground to be inspected, and then to act according to circumstances.

And further on the motion of Mr. Nauhaus, seconded by Mr. L. de Villiers: "With reference to the grounds situate on the Free State side of the Vaal River, the Raad declares that all lands, to which land certificates were issued at the time of the British Government, belong to the Orange Free State; and further, the Raad recognizes no other than the so-called Vetberg line."

On the 31st March, 1870, Capt. Waterboer at last consented to restrict the arbitration to the Campbell Lands, *i.e.*, the ground situate to the north of the Vaal River, and the deed of submission, referring this question to the arbitration of Sir P. E. Wodehouse, was duly signed and executed by our Government and the Chief Waterboer. But owing to the departure of His Excellency from the Colony, nothing came of this arbitration. And as it is manifest from the different resolutions of the Volksraad that it has always been the intention of the Orange Free State, in case the arbitration of Sir P. E. Wodehouse should not take place, to proclaim and take possession of the Campbell Grounds as Free State property, and as the settlement of the question could not any longer be deferred, the Government again gave public notice of its rights, by proclamation of the 17th May, published in the *Government Gazette* of the 25th May, 1870, copy (Annexure No. 2) and translation of which I have the honour to enclose; but before taking any further steps, our Government gave the Chief Waterboer an opportunity to show the proofs of his alleged claim.

A meeting of the Executive Council of the Orange Free State Government and Captain Waterboer and his Council took place on the 18th August and following days on the banks of the Vaal River. The proofs on the part of the Orange Free State were submitted to us by Mr. Vels, attorney, and on the part of the Chief Waterboer by his agents, Messrs. D. Arnot and Grant, attorney. After leading some evidence, Mr. Grant proposed to call the councillors of Waterboer, who had been present during the whole of the proceedings, as witnesses to prove that Captain Cornelis Kok had never been an independent Chief. I and the Executive Council put it to the Chief whether it was desirable that his councillors, who were to deliberate and advise him on the evidence after the proofs on both sides had been concluded should be produced as witnesses. The Executive Council then withdrew to consider this point. Whilst we were deliberating, Mr. Grant came and requested us to proceed with the other witnesses, and to reserve this point till the following morning. We acceded to his request. But neither Captain Waterboer nor his councillors came to the meeting the next morning. The Chief abruptly left the conference which we had in the course of the day. He has not up to this moment returned an answer to the offer which our Government made to him, to purchase the lands on the south side of the Vaal River, within the Vetberg line belonging to him, and which he promised to take into consideration, and he has treated our Government with anything but that degree of courtesy which had been shown to him by the Executive Council. After the Chief Waterboer and his councillors had abruptly departed, we proceeded to consider the evidence and documents produced on both sides—which I hope shortly to be able to publish,—and we came to the conclusion that the Chief Waterboer had failed to show any title to the lands claimed by him, and that nothing had been adduced to invalidate the rights of the Orange Free State Government. With respect to the boundaries of the Campbell Lands, which, according to some of the witnesses, extended from Platberg through the Vaal River to three koppies on the Harts River, our Government was induced by the copy of a treaty made between Commandant-General Pretorius and the Chief Moutsou in 1851, mention of which is made in ~~the protest by Jantje Mothabi~~ to President Pretorius in 1870, and by other evidence, to withdraw our claim to the lands to the east of Harts River, and to proclaim the boundaries of the Campbell Lands as stated in my proclamation of the 29th August, 1870 (Annexure No. 3) published in our *Government Gazette* of the 14th September, 1870, of which I have the honour to enclose copy and translation.

Art. 2 of the Convention of the 23rd February, 1854, is as follows: "The British Government has no alliance whatever with any Native Chief or Tribes to the northward of the Orange River, with the exception of the Griqua Chief Adam Kok; and Her Majesty's Government has no wish or intention to enter hereafter into any treaties which may be injurious or prejudicial to the interests of the Orange River Government."

This was one of the considerations on which the inhabitants of the Orange Free State consented to take over the Government of the country, upon the abandonment of the Orange River Sovereignty by Her Majesty's Government. The wisdom and justice of this guarantee must be quite apparent. For the Government of the Orange Free State would indeed be placed in a very anomalous position if the natives can ignore its existence whenever it has to assert and vindicate its just rights.

I have, &c.,

J. H. BRAND.

[Annexure No. 1]

Philippolis, 25th October, 1855.

To His Honour J. N. Boshoff, President of the Orange Free State.

Sir,—Having promised to the Orange Free State Government to fix the line between the Chief Cornelius Kok, of Campbell, and the Chief Nicolaas Waterboer, Griqua Town, and having been requested and empowered by said Chief, I have fixed the line of which I now send you a true copy:

"Vetberg, 10th October, 1855.

"The boundary line between Capt. N. Waterboer and Capt. Cornelius Kok is fixed by me, with permission of Capt. John Bloem, who has given his consent in writing as follows: 'Beginning at the confluence of the Riet and Vaal River, up along Riet River to a drift (ford) between the Klipdrift and Zoutpansdrift, and thence to a koppie; from there with a straight line to a brown (Vale) ridge; from there behind the Losberg (Loose Mountain) of Vetberg to the outward ridge of hills with a straight line on the pan of the Rabat over the ridge to the Kalk-hollow which runs down to the pan; from there with a straight line between the Little Karree and Zoutfontein to a hill where a beacon is

erected, to the boundary line of Capt. A. Kok, and it is further appended that 1,500 yards on both sides of the line shall be reserved for free passage to Campbell, Philippolis, and Griqua Town, and not be sold by either, which shall be defended by the Chief of Campbell and the Chief of Griqua Town.'

"A. KOK, Captain."

[ANNEXURE No. 2.]

PROCLAMATION.—No. 62, 1870.

Whereas the Government of the Orange Free State has, by deed concluded at Philippolis, on the 26th December, 1861, with Mr. Henry Harvey as agent of the Griqua Captain, Adam Kok, as heir of the late Cornelius Kok, purchased all the rights and claim of the said Cornelius Kok to grounds both on this and the other side of the Vaal River; and

Whereas notice thereof was given by proclamation of the 24th September, 1862, published in the *Government Gazette* of the 8th October, 1862, by the then State President, M. W. Pretorius. And all parties were warned against purchasing, taking possession of, or exchanging any of the said grounds; and whereas it was made known by proclamation of the 11th November, 1863, published in the *Government Gazette* of the 18th November, by the Acting State President, J. J Venter, that the rights of the Free State Government to the grounds beforementioned remained unaltered, and every one was warned against exchanging, purchasing or taking possession of the said grounds, and whereas by resolution of the Honourable the Volksraad, dated 9th June, 1867, it is determined that "whereas it has appeared from oral and written declarations that no doubt exists that the Campbell Grounds belong, by virtue of deed of sale by Mr. Harvey, as agent of Adam Kok, to the Free State Government, the Raad resolves hereby to request the State President to urge upon Captain Waterboer, should he wish it, to call in arbitration of Her Majesty without delay, at most, three or four months after he shall have received notice of this resolution; and

Whereas the said Captain N. Waterboer has consented to the said arbitration, but Sir P. E. Wodehouse, by letter, dated the 5th instant, has intimated that he will not, owing to his speedy departure from the Colony, be able to undertake the said arbitration, and

Whereas it has come to the knowledge of this Government that there are persons who had gone to the said grounds with the object of seeking and digging for diamonds and other stones:

Be it therefore made known, that I hereby proclaim that the Government of the Orange Free State persists in its right and claim of said grounds by virtue of a purchase from Mr. Henry Harvey, agent for Captain Adam Kok.

And every one is warned against exchanging, purchasing, or taking possession of said grounds, or to settle there, or to seek or dig for diamonds or other precious stones, or to make any encroachment on the rights of the Orange Free State to said ground.

Given under my hand, and the Great Seal of the Orange Free State, at Bloemfontein, this the 17th of May, 1870.

J. H. BRAND, State President.
By order,
F. K. HOHNE, Government Secretary.

ANNEXURE No. 3.]

PROCLAMATION.

Whereas the Executive Council has, on the 15th of August, 1870, and following days, given an opportunity to the Griqua Chief, Captain Nicolaas Waterboer, to prove his pretended claim to the Griqua grounds; and

Whereas the Executive Council has, in its meeting of this day, considered the proofs both on the part of the Orange Free State and of the said Captain, as far as they have been produced, and it has appeared therefrom that the said Captain has no right whatever to the lands of the late Captain Cornelius Kok, which ground has been sold, by deed of sale, dated 26th of September, 1861, by Mr. Henry Harvey, as the duly authorized agent of Captain Adam Kok, as has several times before been proclaimed; and

Whereas it has been further proved that the Campbell Lands extend to the north of Vaal River, as follows: From the ford or drift in Vaal River, at Backhouse, named Koukanop, north to Withouse; from there halfway to Griqua Town and Campbell, at a large tree along the road; from there to the centre kop at Kogelbeen; from there to Nakoop or Reitfontein; from there on the left side past Pappkuil; from there on the left side past Kalkfontein, or the Kosie to Putsfontein; from there to Leeuwfontein; from there to a large kop below Bleekfontein; from there to Vlakfontein; from there to Doornfontein; from there below Gazibone, past the Hart's River at a kop at Hart's River, along Hart's River down to the Vaal River, and along Vaal River to the first-mentioned drift:

Be it therefore made known, that I hereby proclaim that the lands as above defined are the property of the Orange Free State, and I warn any one not to make any encroachment thereon. The abovementioned lines will be marked off on the 22nd of September, 1870, by a commission to be appointed by me, beginning at the junction of the Hart's and Vaal Rivers.

Given under my hand at Klip, on Vaal River, this the 29th day of August, 1870.

J. H. BRAND, State President.

No. 2.—LIEUT.-GENERAL HAY TO PRESIDENT BRAND.

Government-house, Cape Town,
15th October, 1870.

His Honour the President of the Orange Free State.

SIR,—I have the honour to acknowledge the receipt of your Honour's dispatch of the 24th ultimo.

2. In this communication your Honour confirms, in the main, the representations of Waterboer as to the origin of the claim set up by the Free State Government to the lands in dispute; and it is, therefore, to be admitted on both sides that the Free State has no title to the territory unless the validity of the transaction entered into, on the 26th December, 1861, between Henry Harvey and the Free State Government, for the sale and purchase of certain lands which the said Harvey disposed of in his capacity as agent of Adam Kok and the Council of the Philippolis Griqua Government, can be established as regards the transfer of the lands in question.

3. It appears as yet, however, that, while the power of attorney granted by Adam Kok to Harvey only authorized the sale of the then remaining waste lands belonging to the above Government, Harvey pretended to sell, and the Free State Government to purchase, certain other lands which did not belong to the Government of the district of Philippolis, but which your Government asserts had accrued to Adam Kok as the heir of his brother Cornelius Kok.

4. I have not found among the documents on record here any proof that Adam Kok was heir to Cornelius, but, on the contrary, the evidence favours the opposite conclusion, and goes to show that Cornelius Kok left children, some of whom are still living, and moreover that he left other surviving brothers besides Adam Kok. If, however, it could be established that Adam Kok was such heir, I must assume, until the contrary be proved, that in that capacity he could alienate only the private property which he had inherited, and that he had no right to sell to a foreign Government the lands occupied by the people over whom Cornelius Kok's limited jurisdiction had extended.

5. Your Honour has adduced some collateral circumstances in support of the claim of your Government to the lands in question, and although none of these would in itself suffice to establish that claim, I may observe with regard to them generally, that Waterboer denies having been a party to the so-called Vetberg line, or that Adam Kok was authorized to act on his behalf in defining it; and this denial is consistent with that Chief's often repeated protests against what he termed the encroachments of the Free State upon his territorial rights.

6. With respect to the certificates said to have been issued during the existence of the Orange River Sovereignty to lands within the limits claimed by Waterboer, I am informed that they were issued to persons who were living on the lands, and were granted on provisional and temporary terms pending further inquiry and approval of the then High Commissioner, who had not authorized the issue, and did not subsequently sanction it. But were it otherwise, those transactions did not establish a right to the land, and either fair and reasonable compensation must afterwards have been made to the parties to whom the certificates had been granted on condition of their quitting the land, or the land must have been obtained by purchase or other legitimate means from the Government to which it belonged, if the British Government had not withdrawn from the country.

7. You appear to lay much stress upon the proclamations and notices published from time to time by your Government, but I do not see that they can be held to affect the rights of Waterboer's Government, which invariably opposed them by every means in its power.

8. You have also drawn my attention to a paragraph of the Convention of the 23rd February, 1854, but that article does not, as it appears to me, bear upon or apply to such cases as that now under consideration.

9. In conclusion, I cannot but express my regret that the territorial rights in dispute were not long since settled by arbitration, as Waterboer desired, and my inability to perceive any fair reason for the Free State Government to have objected to that mode of settlement of rights to land on the left bank as well as on the right bank of the Vaal River, the territory on both banks having been acquired—if acquired at all—by virtue of one and the same transaction.

10. It is also, I think, to be deplored that, at the recent meeting between the Executive Council of the Free State and Waterboer and his Council, any objection was offered, on the Free State side, to the examination of Waterboer's councillors as witnesses, and the reason assigned for such objection,—viz., that they were afterwards to deliberate and advise on the proofs,—strikes me as unsound; for when so deliberating and advising, it would be impossible for them to divest themselves of their own knowledge of facts, while, on the other side, the Executive Council of the Free State would deliberate and advise in ignorance of the proofs which Waterboer's councillors could have adduced, and thus the ends of impartial justice be almost inevitably frustrated. It is no matter of surprise to me that, under those circumstances, untutored people such as Waterboer and the members of his Council should have been impressed with the idea that it was not really intended to do them justice, and in consequence should have resolved to withdraw from a conference in which it would appear to them that evidence on one side of the case alone could be produced without opposition.

I have, &c.,
C. C. HAY, High Commissioner.

No. 3.—PRESIDENT BRAND TO LIEUT.-GENERAL HAY.

Bloemfontein, 7th October, 1870.

SIR,—As the map furnished to your Excellency by Captain Waterboer, and published in the Cape of Good Hope *Government Gazette* of the 27th ultimo, is in many respects incorrect, and calculated to mislead, I have the honour to enclose a tracing of the Vetberg line. The only line on the south side of the Vaal River which the Government of the Orange Free State recognises, and which was marked off by the Commission under the presidency of Mr. C. W. Hutton, in 1869. The ground situated within that line is thickly inhabited by our burghers.

It is clear that persons coming to try their fortunes at the Diamond-fields, within the Orange Free State, are subject to the laws and jurisdiction of the Courts of the State.

As the Government Notice of the 19th September, 1870, published in the Cape of Good Hope *Gazette* of the 20th and 27th of the same month, is misconstrued by some into a proclamation of sovereignty over Orange Free State territory, it has the tendency to have a most injurious effect on our relations with the natives, as well as on those who come to seek diamonds on Free State ground.

Our Government is convinced that Your Excellency, now having heard our side of the question, will not, even if such had been your Excellency's intention, appoint magistrates within the jurisdiction of the Orange Free State, for that would be a breach of Art. 1 of the Convention of the 23rd of February, 1854, by which Her Majesty's Government guaranteed the independence of the Orange Free State territory and Government, and a violation of our territory against which our Government would most emphatically protest.

With respect to the lands to the north of the Vaal River, our Government has proclaimed the boundaries as far as Waterboer is concerned, who clearly has no title to the Campbell Lands. But it desires and is prepared to give every other native Chief who may have a rightful title to any part of it full opportunity to bring forward his claim and to consider it, and decide upon it.

I have, &c.,
J. H. BRAND.

No. 4.—LIEUT.-GENERAL HAY TO PRESIDENT BRAND.

Government-house, Cape Town,
17th October, 1870.

His Honour the President of the Orange Free State.

SIR,—After closing my letter of the 15th instant, I had the honour to receive your communication dated the 7th, in which you forward to me a tracing of a map of part of the territory in dispute between your Government and that of Waterboer, on which the position of the so-called Vetberg line is marked out.

2. I have already informed your Honour that Waterboer does not acknowledge that line as the boundary of his territory; and I have been unable to gather from your communications any evidence to show that the Free State Government acquired by legitimate means territory to the west of the line from Hamelsfontein Platberg, unless the transaction between your Government and Henry Harvey, on the 26th December, 1861, can be proved to have actually conveyed such territory to the former.

3. Adam Kok, in his letter of the 25th October, 1855, to the then President of the Free State (copy of which you transmitted to me in your dispatch of the 24th ultimo), represented that he had marked off a line of boundary between Waterboer and Cornelius Kok; and, unless I misapprehend the purport of your letters, that line is the one which you designate "the Vetberg" line, and which you assume at some subsequent period to have become the boundary between the Free State and Waterboer; but I am unable to perceive by what procedure recognized as legitimate by civilized peoples that assumption was arrived at.

4. I may remark here that, notwithstanding your Government had assumed the Vetberg line, as laid down by Adam Kok in 1855, to be the boundary between its territory and Waterboer's, your commission of 1869, under the presidency of Mr. C. W. Hutton, appears to have disregarded that line, and to have proposed to extend the Free State limits further southward (as shown upon the tracing which you have sent me), without assigning any reason for such extension, to judge from the absence of any explanation thereon in your communication under reply, unless I may presume that provisional and temporary certificates to farms south of the Vetberg line had been issued by Major Warden, and that Mr. Hutton considered that fact a sufficient warrant for including the said farms within the limits of the Free State without further investigation.

5. It is also worthy of remark that Mr. Acting President Venter, in his communication to my predecessor dated 12th November, 1863, claimed a totally different line of boundary between the Free State and Waterboer's country, and asserted that the line he so claimed had been defined by treaty between Adam Kok and N. Waterboer, in the year 1838; and that, although Mr. Venter was evidently unacquainted with the treaty to which he referred, the line which he claimed was one which would have deprived Waterboer of a large extent of his territory, and proportionately increased that of the Free State.

6. I agree with your Honour that persons coming within the limits of the Free State become liable to the jurisdiction of that State; and you will necessarily, on the same principle, admit that Free State subjects who have gone within the limits of the Griqua territory are subject to the jurisdiction of the Griqua Government; but that admission leaves open the question as to what the limits of the Free State really are. I am not aware that this Government has ever recognized the Vetberg line, as represented in the tracing enclosed in your letter, to be the boundary of the Free State, or been a party to an extension of the borders of the State beyond the limits claimed by Waterboer, and although I have no intention in any way to disregard any of the articles of the Convention of 1854, but on the contrary am prepared to act in conformity with the guarantee of independence of the Orange Free State as provided for by that Convention

Digitized by Google

vention, I fail to perceive that such a guarantee binds Her Majesty's Government to decide all questions of territorial rights in favour of the views entertained by your Government, or to set aside the views and claims of others.

7. Under all these circumstances, and having regard to the conflicting representations made by the Government of the Orange Free State, to the absence of proof of the lawful acquisition by it of territory westward of the line from Ramah *viâ* David's Graf to Plattberg, to the fact that the line mentioned was recognized as Waterboer's eastern boundary before the existence of the Free State, and to the absence, as far as I am aware, of any act on Waterboer's part to occasion the forfeiture of his right to that boundary, it appears to me to be right that, in defining the limits of jurisdiction over British subjects of the magistrates about to be appointed under the Imperial Act 26 and 27 Victoria, Cap. xxxv, I should consider the line in question to be the one westward of which such jurisdiction should exist.

8. At the same time, I wish to assure your Honour that I shall, with great readiness, withdraw any authority conferred upon the magistrates above referred to within limits claimed by your Government, immediately upon its being clearly shown that Waterboer and his people have been fairly and legitimately dispossessed of the lands to which they lay claim, and that the same has become the property of the Free State; but, until that has been shown, I feel that I should render myself liable to the charge of acting an unfriendly part towards Waterboer's Government and people, if, by selecting a boundary line westward of that which they assert to be theirs, I appear to favour the claims of the Free State in preference to those of the Griquas, and tacitly by such act to admit the claim preferred by your Government to a large portion of the disputed territory.

I have, &c.,

C. C. HAY, High Commissioner.
